AN ACT relating to public health; revising the qualifications for certain district health officers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the appointment of a State Health Officer by the Director of the Department of Health and Human Services and establishes the qualifications for that position. (NRS 439.090, 439.100) Existing law further creates a health district in a county whose population is 700,000 or more. Such a health district has a health department consisting of a district health officer and a district board of health. (NRS 439.362) Existing law requires the district board of health in such a county to appoint a district health officer for the health district and establishes the qualifications for the district health officer. (NRS 439.368) This bill revises the qualifications of the district health officer.
