FISCAL NOTE: Effect on Local Government: No.

Effect on the State: No.

EXPLANATION - Matter in bolded italics is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to insurance; providing that a vendor of portable electronics is not required to have certain written materials concerning portable electronics insurance filed with or approved by the Commissioner of Insurance; allowing an insurer who issues a policy of portable electronics insurance to change a term or condition of the policy more than once in a 6-month period; allowing an insurer who issues a policy of portable electronics insurance to terminate the policy for nonpayment without first providing notice to the customer of the customer's failure to pay a premium for the policy; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, portable electronics are portable electronic devices and their accessories, and portable electronics insurance is insurance to cover the cost of the repair or replacement of those devices and accessories. (NRS 691D.060, 691D.070)

Existing law requires a vendor of portable electronics to make available to prospective customers certain printed brochures or other written material concerning the coverage available under policies of portable electronics insurance. If a customer elects to enroll in coverage under a policy of portable electronics insurance, the printed brochures or other written material may serve as a certificate of coverage if the material satisfies certain requirements. (NRS 691D.310) Section 1 of this bill states that the printed brochures or other written material need not be filed with or approved by the Commissioner of Insurance. However, section 1 requires that an insurer file a portable electronics insurance policy form with the Commissioner before the insurer uses the form.

Existing law sets forth provisions for billing, collection of charges and accounting of money received by a vendor for policies of portable electronics insurance. (NRS 691D.320) Section 2 of this bill deems an insurer who provides portable electronics insurance to have received the payment of a premium when an enrolled customer makes a payment to the vendor.

Under existing law, an insurer who issues a policy of portable electronics insurance is restricted as to the manner in which the insurer may terminate the policy or change the terms of the policy. (NRS 691D.330) **Section** [2] 3 of this bill: (1) eliminates a provision which prohibits an insurer from changing a term or condition of a policy of portable electronics
