AN ACT relating to public health; requiring that infants **born in certain institutions** be examined for critical congenital heart disease; providing an exception for written parental objection; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Any physician, midwife, nurse, obstetric center or hospital attending or assisting any  
2 infant ~~or~~ or the mother of any infant at childbirth is required to examine and test the infant for  
3 certain preventable and inheritable disorders. If the tests reveal such a disorder, the physician,  
4 midwife, nurse, obstetric center or hospital is required to: (1) report the condition to the State  
5 Health Officer, the local health officer of the county or city within which the infant or the  
6 mother of the infant resides, and the local health officer of the county or city in which the  
7 child is born; and (2) discuss the condition and treatment of the condition with the parents or  
8 other persons responsible for the care of the infant. (NRS 442.008) This bill requires any  
9 physician, midwife ~~or~~ **nurse**, ~~obstetric center or hospital~~ attending or assisting any infant  
10 ~~or~~ or the mother of any infant at childbirth **at an obstetric center or a hospital which**  
11 **regularly offers obstetric services in the normal course of business** to examine the infant  
12 for critical congenital heart disease, including conducting pulse oximetry screening, and to  
13 report ~~and discuss~~ any positive results ~~in the same manner as required for preventable and~~  
14 ~~inheritable disorders, and providing~~ **to the State Health Officer and discuss such results**  
15 **with the parent of or other person responsible for the infant. This bill provides** an  
16 exception to the requirement for examination in the event of written parental objection.
