Legislative Counsel's Digest:

Existing law authorizes the State Land Registrar to transfer land owned by the State of Nevada under certain circumstances. (NRS 321.003) **Section 1** of this bill authorizes the State Land Registrar to transfer the Belmont Courthouse to Nye County, without consideration, and requires Nye County to pay the costs relating to any such transfer of the property. **Section 3** of this bill provides the legal description of the Belmont Courthouse.

If the State executes a deed for real property which is transferred to a local government and which is part of a state park, the deed is required to include restrictions that: (1) protect the historical and recreational value of the property; (2) guarantee public access to the property; and (3) prevent the local government or any successor in title from transferring the property without authorization by a concurrent resolution of the Legislature. The deed must also provide that any breach of these restrictions results in a reversion of the applicable property to the State. (NRS 321.135) **Section 2** of this bill requires the deed transferring ownership of the Belmont Courthouse to Nye County to contain the preceding restrictions and provisions.
