

Senate Bill No. 140—Senator Segerblom

CHAPTER.....

AN ACT relating to civil practice; authorizing the attachment of a lien to client files and other property for attorney's fees under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides for the creation, perfection and attachment of a lien for attorney's fees. Such a lien, commonly known as a "charging lien," attaches to any verdict, judgment or decree entered and to any money or property which is recovered on account of a suit or other action for which an attorney rendered services on behalf of his or her client. (NRS 18.015) Common law provides for the attachment of a lien to a client's files or other property left in the possession of the attorney in the event of a dispute over attorney's fees. A fee dispute underlying such a lien, commonly known as a "retaining lien," may only be resolved by a court if the client requests that the court extinguish the lien or if the client consents to the court's adjudication of the lien. (*Argentena Consol. Mining Co. v. Jolley Urga Wirth Woodbury & Standish*, 125 Nev. 527 (2009)) This bill provides for the statutory creation, perfection and attachment of such a "retaining lien" for attorney's fees. This bill also supersedes Nevada common law by providing that the rights under such a lien may be adjudicated by a court at the request of the attorney having the lien or any other party who has been served with notice of the lien, rather than only by request of the client whose files have been retained under the lien. Finally, this bill revises the provisions relating to the notice requirements for perfecting a lien.
