EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to motor carriers; providing that certain agreements entered into in connection with a contract concerning motor carrier transportation are against public policy, void and unenforceable under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill provides, with certain exceptions, that an agreement
2 entered into in connection with a contract concerning motor carrier transportation is
3 against public policy, void and unenforceable to the extent that it requires one party
4 to the agreement to indemnify, defend or hold harmless another party against
5 liability for loss or damage resulting from the negligent or intentional acts or
6 omissions of the latter party and any agent, employee or independent contractor
7 who is directly responsible to the latter party. That provision does not apply to a
8 contract concerning motor carrier transportation if the party to be indemnified,
9 defended or held harmless is a motor carrier. In addition, that provision does not
10 apply to an agreement that provides for the interchange, use or possession of certain
11 intermodal equipment, such as freight containers that are transported sequentially
12 by truck and rail.
