## CHAPTER.....

AN ACT relating to education; revising provisions relating to the reporting of incidents of bullying, cyber-bullying, harassment and intimidation by the State Board of Education and the board of trustees of each school district in their respective annual reports of accountability; requiring each public school to disseminate information annually on bullying; revising the definition of “bullying”; revising provisions governing training in the prevention, identification and reporting of bullying and similar conduct; requiring training for administrators in preventing and responding to violence and suicide associated with bullying; requiring notice to the parent or guardian of any pupil allegedly involved in a reported incident of bullying or similar conduct; and providing other matters properly relating thereto.

### **Legislative Counsel’s Digest:**

Existing law provides for a safe and respectful learning environment in public schools and prohibits bullying, cyber-bullying, harassment or intimidation. (NRS 388.121-388.139) Existing law also requires the board of trustees of each school district to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353) In addition, existing law requires the Superintendent of Public Instruction to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355) **Section 11.5** of this bill eliminates these reporting requirements, and **sections 1 and 2** of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347)

**Section 3** of this bill requires each public school to disseminate information on bullying and the facilitation of positive relations among pupils during the annual “Week of Respect” proclaimed by the Governor.

**Section 4.5** of this bill revises the definition of bullying to include: (1) only repeated acts or conduct; and (2) acts or conduct that exploit an imbalance in power.

**Sections 5-7** of this bill revise various provisions governing the training of all administrators, principals, teachers and other school employees on the subject of bullying, cyber-bullying, harassment and intimidation. Existing law requires the Department of Education to prescribe a policy for such training. (NRS 388.133)

**Section 5** requires the policy to encompass members of the boards of trustees of school districts and provide for training in methods to prevent, identify and report incidents of bullying and similar conduct. Existing law also requires the board of trustees of each school district to adopt the training policy prescribed by the Department and provide the appropriate training to employees of the district. (NRS 388.134) **Section 6** requires the members of the board of trustees to receive this training and requires that newly elected trustees and new employees of the school district receive the training within 180 days after the beginning of their term of office or their employment, as applicable. Existing law requires the Department to recommend certain programs of training in this area for members of the boards of trustees of school districts and school employees. (NRS 388.1342) **Section 7** requires the Department to establish these programs and a program to train administrators in the prevention of and response to violence and suicide associated with bullying and similar conduct. **Section 7** also requires each administrator to complete this training: (1) within 90 days after becoming an administrator; (2) at least once during any school year in which the training is revised or updated; and (3) at least once every 3 years otherwise.

**Section 8** of this bill provides that a principal, or his or her designee, who receives a report of bullying, cyber-bullying, harassment or intimidation must give notice of the report to the parent or legal guardian of each pupil involved in the incident that is the subject of the report.

Existing law provides immunity from liability for a pupil, school employee or volunteer who reports an incident of bullying, cyber-bullying, harassment or intimidation unless he or she acts with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law. (NRS 388.137) Where such a malicious, intentional or grossly negligent report is made, **section 11** of this bill authorizes disciplinary action against the pupil or other person making the report.
