AN ACT relating to body shops; authorizing a body shop to impose certain charges for storage of a motor vehicle; requiring that body shops include rates for storage of vehicles in written estimates; requiring that body shops notify certain registered owners of a motor vehicle of charges for storage; revising provisions governing information that body shops are required to submit to the Department of Motor Vehicles; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides that a body shop may charge for storage of a motor vehicle if the owner or insurer of the motor vehicle elects to take possession of the motor vehicle instead of authorizing certain repairs and fails to take possession within 24 hours after that election. (NRS 487.6881) **Section 2** of this bill authorizes a body shop, under certain circumstances, to impose a charge for storage of a motor vehicle that is in the possession of the body shop for repairs. **Section 2** also provides that any such charge for storage of a motor vehicle must not exceed an amount that is one and one-half times the average prevailing rate for storage charged by body shops in the same geographic area, as determined by the Department of Motor Vehicles, except that a body shop may request a hearing by the Department to show good cause as to why the body shop should be allowed to impose a charge which exceeds that limit.

Under existing law, a body shop must complete an on-line survey to report certain information, including the labor rate charged by the body shop, to the Department of Motor Vehicles within 60 days immediately preceding the date of

\* S B 1 7 0 R 1 \*

16 submission of the application for renewal of the license of the body shop. (NRS  
17 487.685) **Section 5** of this bill requires that a body shop also report to the  
18 Department in the on-line survey the rate charged by the body shop for storage of  
19 vehicles, if any, including both an indoor vehicle storage rate and an outdoor  
20 vehicle storage rate, if those rates differ. **Section 6** of this bill requires the  
21 Department to calculate and post the prevailing storage rates for each specific  
22 geographic area in a report that must be made available to the public on-line.  
23 (NRS 487.686)

24 Existing law requires a body shop to provide to a person requesting or  
25 authorizing the repair of a motor vehicle a written estimate or statement indicating  
26 the total charge for the repair, including the charge for labor and all parts and  
27 accessories necessary to perform the work. (NRS 487.6875) Existing law also  
28 requires a body shop to display in its place of business a sign setting forth various  
29 rights of the customer, including the right to receive a written estimate of charges  
30 for repairs made to the vehicle which exceed \$50. (NRS 487.6871) **Section 9** of  
31 this bill requires that the person requesting or authorizing the repair is also entitled  
32 to receive from the body shop a written statement of charges for storage of the  
33 vehicle, if any, which could exceed \$50. **Section 7** of this bill provides that the sign  
34 in a body shop which is required to set forth the various rights of the customer must  
35 also include language stating that the customer is entitled to receive a written  
36 statement of charges for storage of the vehicle, if any, which could exceed \$50.  
37 **Section 7** also requires such signs to display the Internet address of the Division of  
38 Compliance Enforcement of the Department of Motor Vehicles and the telephone  
39 number of the closest office of the Division.

40 **Section 3** of this bill provides that if a motor vehicle is towed to a body shop at  
41 the request of someone other than the registered owner or an authorized agent of  
42 the owner, the body shop which receives the motor vehicle must make reasonable  
43 attempts to notify the registered owner of the motor vehicle of the location of the  
44 vehicle. **Section 3** further provides that the body shop may impose a charge for  
45 storage of such a motor vehicle.

46 **Sections 12-14** of this bill provide for injunctive relief, civil penalties and a  
47 criminal misdemeanor penalty for violations of the provisions of this bill.
