Legislative Counsel's Digest:

1 Existing law sets forth provisions governing the collection of debts owed to a
2 state agency. (Chapter 353C of NRS) **Section 2** of this bill provides a uniform rate
3 of interest that is applicable to each debt which is assigned by a state agency to the
4 State Controller for collection and which is subject to the payment of interest
5 pursuant to a specific statute or regulation. **Section 3** of this bill provides that the
6 State Controller is not required to refund overpayments on debt owed to the State
7 that are less than \$10 unless the refund is timely requested in writing. **Sections 4,**
8 **7.1-7.9 and 13-66** of this bill prohibit certain licensing agencies from renewing
9 licenses, certifications, registrations, permits or other authorizations that grant a
10 person the authority to engage in certain professions or occupations in this State if:
11 (1) the person owes a debt to a state agency which has been assigned to the State
12 Controller for collection; or (2) the person has not provided to those licensing
13 agencies certain information relating to state business licenses.

14 **Section 5** of this bill revises the costs and fees that certain debtors must pay for
15 the collection of a debt owed to the State. **Section 6** of this bill provides that if the
16 State Controller sells a debt after the statutory period for the collection of the debt
17 has expired, the money received must be deposited in the Debt Recovery Account
18 in the State General Fund. **Sections 7 and 8** of this bill establish a process by which
19 an agency may submit a written request to the Interim Finance Committee to
20 contest the determination of the State Controller to deposit certain money collected
21 by the State Controller in the Debt Recovery Account. **Section 9** of this bill
22 requires the State Controller to establish by regulation a fee that must be paid to the
23 State Controller by certain payees that refuse to accept electronic payment of an
24 account payable.

25 **Sections 8.5 and 9.1-9.3** of this bill require the State Controller: (1) to establish
26 an electronic payment system to pay the salaries and wages of all state officers and
27 employees through the use of direct deposit; and (2) to pay the salaries and wages
28 of all state officers and employees through the electronic payment system unless
29 the State Controller determines that participation in the electronic payment system
30 would cause the state officer or employee to suffer undue hardship or extreme
31 inconvenience.

32 **Section 8.3** of this bill removes certain duties of the Chief of the
33 Administrative Division of the Legislative Counsel Bureau, as ex officio
34 Legislative Fiscal Officer, concerning the payment of the salaries and wages of
35 each Legislator, employee of the Legislature and employee of the Legislative
36 Counsel Bureau.
