AN ACT relating to firearms; requiring an eligible person who holds a permit to carry a concealed firearm to obtain a driver's license or identification card which designates that the person holds such a permit; authorizing such a person to hold an additional identification card which does not contain the designation; authorizing the Department of Motor Vehicles to establish regulations relating to such drivers' licenses and identification cards; revising the definition of "concealed firearm"; authorizing a person to obtain one permit to carry a concealed firearm for all handguns owned by the person; revising provisions relating to a person's demonstration of competence with certain firearms for the purpose of obtaining or renewing a permit to carry a concealed firearm; deleting certain provisions relating to the registration of firearms capable of being concealed; revising the applicability of certain provisions pertaining to the regulation of firearms by local governments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill requires a person who holds a permit to carry a concealed firearm and who is eligible to hold a driver's license or identification card issued by the Department of Motor Vehicles to obtain a driver's license or identification card from the Department which contains a designation that the person holds such a permit. A person does not need to pay a fee to obtain the designation unless a new driver's license or identification card needs to be issued, in which case the person must pay the prescribed renewal fee for a driver's license or identification card. **Section 19** of this bill requires a person who holds a valid permit to carry a concealed firearm on January 1, 2014, to comply with the provisions of **section 2** not later than the date on which his or her current driver's license or identification card expires.

Section 3 of this bill imposes certain requirements upon a person who holds a driver's license or identification card with the designation required pursuant to **section 2**, and **section 4** of this bill authorizes such a person to hold an additional identification card which does not contain the designation. **Section 5** of this bill authorizes the Department of Motor Vehicles to adopt any necessary regulations to carry out the provisions of **sections 2-5**.

Existing law defines "concealed firearm" as a loaded or unloaded pistol, revolver or other firearm which is carried upon a person in such a manner as not to be discernible by ordinary observation. (NRS 202.3653) Existing law provides that a person who applies for a permit to carry a concealed firearm may submit one application and obtain one permit to carry all revolvers and semiautomatic firearms owned by the person. A permit must list each category of firearm to which the permit pertains and is valid for any revolver or semiautomatic firearm which the permittee owns or thereafter obtains. An applicant for a permit or a permittee who wishes to renew his or her permit must demonstrate competence or continued competence, respectively, with revolvers, semiautomatic firearms or both, as applicable, before obtaining or renewing a permit. (NRS 202.3657, 202.3677)

Section 7 of this bill revises the definition of "concealed firearm" and defines the term as a loaded or unloaded handgun which is carried upon a person in such a manner as not to be discernible by ordinary observation. **Section 7** also defines the term "handgun" by using the definition provided in federal law. **Section 8** of this bill provides that a person may obtain one permit to carry all handguns owned by the person, and such a permit is valid for any handgun which the person owns or thereafter obtains. **Section 8** requires an applicant for a permit to demonstrate competence with handguns before obtaining a permit, and **section 10** of this bill requires a permittee to demonstrate continued competence with handguns before renewing the permit. **Section 9** of this bill revises the required form of a permit.

Existing law also requires certain political subdivisions of this State in a county whose population is 700,000 or more (currently Clark County), which adopted ordinances or regulations before June 13, 1989, that require the registration of firearms capable of being concealed, to make certain amendments to such registration provisions. (NRS 244.364, 268.418, 269.222) **Sections 14-16** of this bill delete the provisions requiring certain political subdivisions of this State to make such amendments.

Assembly Bill No. 147 of the 1989 Legislative Session (AB147) reserved for the Legislature the rights and powers necessary to regulate the transfer, sale, purchase, possession, ownership, transportation, registration and licensing of firearms and ammunition in this State. (Chapter 308, Statutes of Nevada 1989, pp. 652-53) However, section 5 of AB147 provided that the preemptive effect of the bill applied only to ordinances or regulations adopted by local governments on or after June 13, 1989. **Section 18** of this bill amends section 5 of AB147 to include and preempt ordinances or regulations adopted by local governments before June 13, 1989.
