EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to scrap metal; authorizing a local law enforcement agency to establish or utilize an electronic reporting system to receive information relating to purchases of scrap metal; requiring, under certain circumstances, a scrap metal processor to submit electronically to a local law enforcement agency or certain third parties certain information relating to certain purchases of scrap metal; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides certain restrictions on the sale and purchase of scrap metal in this State and requires scrap metal processors to maintain certain records of purchases of scrap metal. (NRS 647.092-647.098) **Section 1.3** of this bill authorizes a local law enforcement agency to establish an electronic reporting system or utilize an existing electronic reporting system to receive certain information relating to scrap metal purchases within the jurisdiction of the law enforcement agency. **Section 1.3** requires that the system be electronically secure and accessible only to: (1) a scrap metal processor for the purpose of submitting certain information; (2) an officer of the local law enforcement agency; and (3) an authorized employee of any third party that the local law enforcement agency contracts with for the purpose of receiving and storing the information submitted by

a scrap metal processor. If a local law enforcement agency establishes an electronic reporting system or utilizes an existing electronic reporting system, **section 1.3** requires a scrap metal processor to submit electronically to the local law enforcement agency or, if applicable, any third party that the local law enforcement agency has contracted with, certain information relating to each purchase of scrap metal from certain persons.

**Section 2** of this bill specifies that the record of purchase maintained by a scrap metal processor must include a copy of the seller's valid: (1) personal identification card issued by the Department of Motor Vehicles; (2) driver's license issued by this State or another state or territory of the United States; (3) United States military identification card; or (4) consular identification card.

**Section 1.5** of this bill provides that a person is immune from any civil liability for any action taken with respect to carrying out the provisions of this bill, so long as such actions are taken in good faith and without malicious intent.

**Section 1.7** of this bill requires a person in whose possession the information required to be submitted to a local law enforcement agency is held to keep the information confidential. **Section 1.7** also provides that a person who knowingly and willfully violates this requirement is guilty of a gross misdemeanor.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 647 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.3, 1.5 and 1.7 of this act.

**Sec. 1.3. 1. *A local law enforcement agency may establish an electronic reporting system or utilize an existing electronic reporting system to receive information relating to the purchase of scrap metal by a scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency. An electronic reporting system established or utilized pursuant to this subsection must:***

***(a) Be electronically secure and accessible only to:***

***(1) A scrap metal processor for the purpose of submitting the information required by subsection 2;***

***(2) An officer of the local law enforcement agency; and***

***(3) If applicable, an authorized employee of any designated third party.***

***(b) Provide for the electronic submission of information by a scrap metal processor.***

**2. *If a local law enforcement agency establishes an electronic reporting system or utilizes an existing electronic reporting system pursuant to subsection 1, each scrap metal processor that transacts business within the jurisdiction of the local law enforcement agency shall, before 12 p.m. of each business day, submit electronically to the local law enforcement agency or, if applicable, a designated third party the following information***

1 regarding each purchase of scrap metal conducted on the  
2 preceding day from a person who sold the scrap metal in his or  
3 her individual capacity:

4 (a) The name of the seller;

5 (b) The date of the purchase;

6 (c) The name of the person or employee who conducted the  
7 transaction on behalf of the scrap metal processor;

8 (d) The name, street, house number and date of birth listed on  
9 the identification provided pursuant to paragraph (c) of subsection  
10 1 of NRS 647.094 and a physical description of the seller,  
11 including the seller's gender, height, eye color and hair color;

12 (e) The license number and general description of any vehicle  
13 that delivered the scrap metal;

14 (f) The description of the scrap metal recorded pursuant to  
15 paragraph (h) of subsection 1 of NRS 647.094; and

16 (g) The amount, in weight, of scrap metal purchased.

17 3. If a scrap metal processor is required to submit  
18 information to a local law enforcement agency or, if applicable, a  
19 designated third party pursuant to subsection 2, the scrap metal  
20 processor shall display prominently at the point of purchase a  
21 public notice, in a form approved by the local law enforcement  
22 agency, describing the information that the scrap metal processor  
23 is required to submit electronically to the local law enforcement  
24 agency or, if applicable, the designated third party.

25 4. Nothing in this section shall be deemed to limit or  
26 otherwise abrogate any duty of a scrap metal processor to  
27 maintain a book or other permanent record of information  
28 pursuant to NRS 647.094.

29 5. If a local law enforcement agency establishes an electronic  
30 reporting system or utilizes an existing electronic reporting system  
31 to receive information pursuant to this section, the local law  
32 enforcement agency shall, on or before January 15 of each odd-  
33 numbered year, submit to the Director of the Legislative Counsel  
34 Bureau for transmittal to the Legislature a report regarding the  
35 effect of the electronic reporting system on the incidence of crime  
36 which relates to the sale or purchase of scrap metal within the  
37 jurisdiction of the law enforcement agency.

38 6. The provisions of this section do not apply to the purchase  
39 of scrap metal from a business entity.

40 7. As used in this section, "designated third party" means any  
41 person with whom a local law enforcement agency has entered  
42 into a contract for the purpose of receiving and storing any  
43 information required to be submitted electronically by a scrap  
44 metal processor pursuant to subsection 2.
