SENATE BILL NO. 267—SENATORS WOODHOUSE,  
SPEARMAN, PARKS; FORD AND SEGERBLOM

MARCH 15, 2013

---

Referred to Committee on Commerce, Labor and Energy

**SUMMARY**—Establishes provisions governing tanning establishments. (BDR 52-958)

**FISCAL NOTE:** Effect on Local Government: No.  
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

---

AN ACT relating to tanning establishments; prohibiting an owner or operator of a tanning establishment from allowing a person who is less than 18 years of age to use the tanning equipment of the establishment; requiring an owner or operator of a tanning establishment to post certain warning signs concerning the use of tanning equipment; authorizing certain persons to bring an action against an owner or operator of a tanning establishment under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1      **Section 8** of this bill prohibits an owner or operator of a tanning establishment  
2      from allowing a person who is less than 18 years of age to use the tanning  
3      equipment of the establishment.

4      **Section 9** of this bill requires an owner or operator of a tanning establishment  
5      to post a notice in a conspicuous place informing customers: (1) that a person who  
6      is less than 18 years of age is prohibited from using the tanning equipment; (2) that  
7      the owner or operator of the tanning establishment may be subject to civil action for  
8      certain violations; (3) that any person may report violations to any law enforcement  
9      agency; and (4) of certain health risks associated with the use of tanning equipment.

10     **Section 10** of this bill requires an owner or operator of a tanning establishment to  
11    post in a conspicuous place in each area where tanning equipment is used a warning  
12    sign informing users of certain safety procedures that must be followed while using  
13    the tanning equipment. **Section 10** also establishes certain civil penalties for failure  
14    to post such warning signs. **Section 11** of this bill requires an owner or operator of  
15    a tanning establishment to ensure that a qualified person be present at the tanning  
16    establishment during operating hours and that each user be aware of and use certain  
17    safety equipment. **Section 11** prohibits a person from using the tanning equipment

\* S B 2 6 7 R 1 \*

18 of a tanning establishment unless he or she signs a statement of acknowledgment  
19 and uses protective eyewear while using the tanning equipment. **Section 13** of this  
20 bill exempts from the provisions of this bill any physician who prescribes the use of  
21 a phototherapy device, as well as any person prescribed the use of such a device by  
22 a physician.

23 **Section 12** of this bill authorizes a parent or guardian to bring an action against  
24 an owner or operator of a tanning establishment who allows a child of the parent or  
25 guardian to use the tanning equipment of the establishment.

---

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1      **Section 1.** Chapter 597 of NRS is hereby amended by adding  
2 thereto the provisions set forth as sections 2 to 13, inclusive, of this  
3 act.

4      **Sec. 2.** *As used in sections 2 to 13, inclusive, of this act,  
5 unless the context otherwise requires, the words and terms defined  
6 in sections 3 to 7, inclusive, of this act have the meanings ascribed  
7 to them in those sections.*

8      **Sec. 3.** *“Operator” means a person who is designated by the  
9 owner of a tanning establishment or by the lessee of the tanning  
10 equipment of the tanning establishment to operate or to assist and  
11 instruct in the operation and use of the tanning establishment or  
12 tanning equipment.*

13      **Sec. 4.** *“Owner” means the owner of a tanning  
14 establishment.*

15      **Sec. 5.** *“Phototherapy device” means any equipment that  
16 emits ultraviolet radiation and is used in the diagnosis or  
17 treatment of disease or injury.*

18      **Sec. 6.** *“Tanning equipment” means any device that emits  
19 ultraviolet radiation to tan human skin, including, without  
20 limitation, sunlamps, tanning booths and tanning beds.*

21      **Sec. 7.** *“Tanning establishment” means any premises,  
22 mobile unit, building or part of a building where access to tanning  
23 equipment is provided for a fee, membership dues or any other  
24 compensation.*

25      **Sec. 8.** *An owner or operator shall not allow a person who is  
26 less than 18 years of age to use the tanning equipment of a  
27 tanning establishment.*

28      **Sec. 9.** *An owner or operator shall post in a conspicuous  
29 place in the tanning establishment a notice that states  
30 substantially the following:*

31      **1.** *It is unlawful for the owner or operator of a tanning  
32 establishment to allow a person who is less than 18 years of age to  
33 use any tanning equipment.*

\* S B 2 6 7 R 1 \*

1       2. An owner or operator of a tanning establishment who  
2 violates any provision of sections 2 to 13, inclusive, of this act may  
3 be subject to civil action.

4       3. Any person may report a violation of sections 2 to 13,  
5 inclusive, of this act to any law enforcement agency.

6       4. Health risks associated with tanning include, without  
7 limitation, skin cancer, premature aging of the skin and burns to  
8 the skin.

9       Sec. 10. 1. An owner or operator shall post in a  
10 conspicuous place in each area where tanning equipment is used a  
11 warning sign that states substantially the following:

12       (a) Follow instructions.

13       (b) Avoid too frequent or too lengthy exposure. Like exposure  
14 to the sun, use of tanning equipment can cause eye and skin  
15 injury and allergic reactions. Repeated exposure can cause  
16 chronic sun damage, which is characterized by wrinkling, dryness,  
17 fragility and bruising of the skin and skin cancer.

18       (c) Wear protective eyewear. Failure to do so may result in  
19 severe burns or long-term injury to the eyes.

20       (d) Medications and cosmetics may increase your sensitivity to  
21 ultraviolet radiation. Consult a physician before using tanning  
22 equipment if you are using medications, have a history of skin  
23 problems or believe that you are especially sensitive to sunlight.

24       (e) If your skin does not tan when exposed to the sun, it is  
25 unlikely that your skin will tan when exposed to this tanning  
26 equipment.

27       2. An owner or operator who fails to post a warning sign in  
28 accordance with subsection 1 shall:

29       (a) For the first violation, pay a civil penalty of \$250.

30       (b) For the second violation, pay a civil penalty of \$500.

31       (c) For the third or subsequent violation, pay a civil penalty of  
32 \$1,000.

33       Sec. 11. An owner or operator shall ensure that:

34       1. A person who is qualified to operate the tanning equipment  
35 and who is able to inform users about, and assist such users in,  
36 the proper use of tanning equipment is present at the tanning  
37 establishment during operating hours.

38       2. Tanning equipment is properly sanitized after each use.

39       3. Each user, before he or she begins to use tanning  
40 equipment, is provided with properly sanitized and securely fitting  
41 protective eyewear that protects the wearer's eyes from ultraviolet  
42 radiation and allows enough vision to maintain balance.

43       4. Users wear the protective eyewear described in subsection  
44 3 when using tanning equipment.

\* S B 2 6 7 R 1 \*

*5. Each user is shown how to maintain the proper exposure distance from the tanning equipment as recommended by the manufacturer.*

*6. A timing device which is accurate within 10 percent of any selected time interval is used and is remotely located so a user cannot set his or her own exposure time when using tanning equipment.*

**7. Tanning equipment is equipped with a mechanism that allows the user to turn off the tanning equipment.**

*8. Each user is limited to the maximum exposure time recommended by the manufacturer for his or her skin type.*

*9. A user is not allowed to use the tanning equipment more than once in any 24-hour period.*

*10. The interior temperature of the tanning equipment does not exceed 100 degrees Fahrenheit.*

11. Acknowledgments signed by each user indicating that he or she understands the notices and warnings prescribed by sections 9 and 10 of this act, and that he or she agrees to use protective eyewear, are retained for at least 1 year or until the user signs a new acknowledgment.

*Sec. 12. 1. A parent or guardian of a person who is less than 18 years of age may bring an action against an owner or operator if the owner or operator violates section 8 of this act.*

**2. In any action brought pursuant to this section, if a parent or guardian of a person who is less than 18 years of age establishes that the owner or operator violated section 8 of this act, a court shall award the parent or guardian, in addition to costs and reasonable attorney's fees:**

(a) For the first occurrence, \$500.

(b) For the second occurrence, \$1,000.

(c) For the third or subsequent occurrence, \$1,500.

**3. Each instance in which an owner or operator allows a person who is less than 18 years of age to use the tanning equipment of the tanning establishment in violation of section 8 of this act constitutes a separate occurrence.**

**Sec. 13.** *The provisions of sections 2 to 13, inclusive, of this act do not apply to any physician licensed to practice medicine in this State who uses, or prescribes the use of, a phototherapy device, or to any person who is prescribed the use of a phototherapy device by a physician licensed to practice medicine in this State.*

**Sec. 14.** This act becomes effective on July 1, 2013.
