EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

---

AN ACT relating to sheriffs; revising provisions governing the removal of deputy sheriffs in certain smaller counties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, a peace officer must be certified by the Peace Officers' Standards and Training Commission within 1 year after beginning employment as a peace officer, unless an extension is granted. (NRS 289.550) In a county that does not have a metropolitan police department or whose population is less than 100,000 (currently counties other than Clark and Washoe Counties), a deputy sheriff who has completed a 12-month probationary period may be terminated from employment only for cause. (NRS 248.040, 248.045) In this context, for these smaller counties, this bill provides that “cause” includes a deputy’s failure to become certified by the Peace Officers’ Standards and Training Commission within the required time or the loss of that certification.
