9 among persons who are professional educators in the fields of science, technology,
10 engineering and mathematics or persons who represent businesses that employ
11 persons in careers which are enhanced by education in science, technology,
12 engineering and mathematics. **Section 2** of this bill requires the Council to develop:
13 (1) a strategic plan for the development of educational resources in the fields of
14 science, technology, engineering and mathematics to serve as a foundation for
15 workforce development, college preparedness and economic development in this
16 State; (2) a plan for identifying and awarding recognition to pupils in this State who
17 demonstrate exemplary achievement in the fields of science, technology,
18 engineering and mathematics; and (3) a plan for identifying and awarding
19 recognition to not more than 15 schools in this State that demonstrate exemplary
20 performance in the fields of science, technology, engineering and mathematics.
21 **Section 2** also requires the Council to conduct a survey of education programs and
22 proposed programs relating to the fields of science, technology, engineering and
23 mathematics in this State and in other states to identify recommendations for the
24 implementation of such programs by public schools in this State. **Section 2** further
25 requires the Council to submit to the State Board of Education, the Governor and
26 the Legislature a report which includes recommendations concerning the instruction
27 and curriculum in courses of study in science, technology, engineering and
28 mathematics in public schools in this State. Additionally, **section 2** requires the
29 Council to apply for grants on behalf of the State of Nevada relating to the
30 development and expansion of education programs in the fields of science,
31 technology, engineering and mathematics and to identify a nonprofit corporation to
32 assist in the implementation of the programs developed by the Council. **Section 2**
33 also requires the State Board to consider the plans and reports of the Council and
34 adopt such regulations to carry out the Council's recommendations as the State
35 Board deems necessary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

5 implementation of the plans developed pursuant to paragraphs (a),
6 (b) and (c); and

7 (g) Prepare a written report which includes, without limitation,
8 recommendations based on the survey conducted pursuant to
9 paragraph (d) and any other recommendations concerning the
10 instruction and curriculum in courses of study in science,
11 technology, engineering and mathematics in public schools in this
12 State and, on or before January 31 of each odd-numbered year,
13 submit a copy of the report to the State Board of Education, the
14 Governor and the Director of the Legislative Counsel Bureau for
15 transmittal to the Legislature.

16 2. The Council or a subcommittee of the Council may seek the
17 input, advice and assistance of persons and organizations that have
18 knowledge, interest or expertise relevant to the duties of the
19 Council.

20 3. The State Board of Education shall consider the plans
21 developed by the Advisory Council on Science, Technology,
22 Engineering and Mathematics pursuant to paragraphs (a), (b) and (c)
23 of subsection 1 and the written report submitted pursuant to
24 paragraph (g) of subsection 1 and adopt such regulations as the State
25 Board deems necessary to carry out the recommendations in the
26 written report.

27 **Sec. 3.** (Deleted by amendment.)
