AN ACT relating to vessels; authorizing a peace officer to seize a vessel without a warrant and to treat the vessel as abandoned under certain circumstances; revising the circumstances under which an operator of a vessel must file a description of a collision, accident or other casualty involving the vessel; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law prohibits the operation of a motorboat on the waters of this State  
2 unless the motorboat is numbered and titled, with certain exceptions. (NRS  
3 488.065) Existing law also prohibits a person, under certain circumstances, from:  
4 (1) intentionally defacing, destroying, removing or altering any hull number  
5 required for a vessel without authorization from the Department of Wildlife; or (2)  
6 placing or stamping a serial number upon a vessel except a number assigned to the  
7 vessel by the Department. (NRS 488.171) If a peace officer has probable cause to  
8 believe that a vessel or its contents contain evidence tending to show that a criminal  
9 offense has been committed or that a particular person has committed an offense,  
10 the peace officer may take reasonable steps to ensure the preservation of the  
11 evidence, including the safe storage of the vessel or its contents. (NRS 488.910)  
12 Existing law also sets forth the actions that a peace officer may take to attempt to  
13 establish ownership of an abandoned vessel on private property, including the  
14 removal of the vessel to a secure location designated by the peace officer. (NRS  
15 488.293) **Section 1** of this bill authorizes a peace officer, without a warrant, to seize  
16 any vessel: (1) which is being operated with any improper number, certificate of  
17 number or certificate of ownership; (2) which the peace officer has probable cause  
18 to believe has been stolen; (3) on which any hull number or other identifying mark  
19 has been falsely attached, removed, defaced, altered or obliterated; or (4) which  
20 contains a part with a certain identification number or other distinguishing number  
21 or mark which has been falsely attached, removed, defaced, altered or obliterated.  
22 **Section 1** also authorizes a law enforcement agency to treat the vessel as

23 abandoned and to proceed in the manner set forth in existing law for the disposal of  
24 an abandoned vessel.

25 Existing law requires the operator of a vessel involved in a collision, accident  
26 or other casualty to file with the Department a full description of the casualty if the  
27 collision, accident or casualty results in the death of or injury to a person or damage  
28 to property in excess of \$500. (NRS 488.550) **Section 2** of this bill increases the  
29 threshold for filing a full description of the casualty from an amount in excess of  
30 \$500 to an amount in excess of \$2,000.
