AN ACT relating to education; eliminating various mandates relating to schools; revising provisions relating to the reporting of incidences of bullying, cyber-bullying, harassment and intimidation occurring at public schools; revising provisions governing the examinations of the height and weight of pupils enrolled in public schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill deletes and repeals certain provisions relating to education and thereby eliminates: (1) a requirement that the Superintendent of Public Instruction prescribe a certain form of school register, prepare pamphlet copies of laws relating to schools for various school officials and provide a certain memorandum to the board of trustees of each school district and to the governing body of each charter school (NRS 385.210); (2) a description of the duties of the board of trustees of a school district and the governing body of a charter school in response to a memorandum transmitted to it pursuant to NRS 385.210 (NRS 386.360, 386.552); (3) a requirement, effective on July 1, 2013, that the boards of trustees of certain school districts adopt a pilot program to provide a program of small learning communities for middle school and junior high school pupils (NRS 388.171); (4) a requirement that the board of trustees of each school district adopt a policy for each middle school and junior high school in the district to provide a program of peer mentoring (NRS 388.176); (5) a requirement that the board of trustees of each school district adopt a policy for certain pupil-led conferences (NRS 388.181); (6) requirements relating to small learning communities for ninth grade pupils in certain larger schools (NRS 388.215); (7) certain requirements for a policy for peer mentoring in public high schools (NRS 388.221); (8) a requirement that the board of trustees of each school district and the governing body of each charter school submit the results of a certain examination of achievement and proficiency of pupils to certain persons and entities (NRS 389.560); (9) provisions relating to the establishment of school attendance councils (NRS 392.129); (10) a reporting requirement relating to alternative schedules (Chapter 489, Statutes of Nevada 2003, p. 3219); and (11) reporting requirements relating to the use of environmentally sensitive cleaning and maintenance products within school districts. (Chapter 244, Statutes of Nevada 2009, p. 985)

Under existing law, the board of trustees of each school district is required to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353) Also under existing law, the Superintendent of Public Instruction is required to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355) **Section 7** of this bill eliminates these reporting requirements, and **sections 2.3 and 2.5** of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347)

Under existing law, the board of trustees of each school district is required to conduct examinations of the height and weight of a representative sample of pupils enrolled in grades 4, 7 and 10. (NRS 392.420) This requirement is scheduled to expire on June 30, 2015. (Chapter 285, Statutes of Nevada 2009, p. 1204) **Section 4.5** of this bill limits this requirement relating to the examinations of the height and weight of pupils to a school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties).
