2. For the purposes of subsection 1, an offense that occurred within 2 or 4 years, as applicable, immediately preceding the date of the principal offense or after the principal offense constitutes a prior offense when evidenced by a conviction, without regard to the sequence of the offenses and convictions.

3. In addition to any criminal penalty imposed pursuant to subsection 1, any civil penalty imposed pursuant to NRS 444.635 and any administrative penalty imposed pursuant to NRS 444.629, a court shall sentence a person convicted of violating subsection 1:

(b) If the person is a business entity:

(1) ~~For~~ Except as otherwise provided in subparagraph (2), for a first or second offense within the immediately preceding 2 years, to:

(I) Clean up the dump site; and

(II) Perform 40 hours of community service cleaning up other dump sites identified by the solid waste management authority.

(2) For a third or subsequent offense within the immediately preceding 2 ~~or 4~~ years, as applicable pursuant to paragraph (c) of subsection 1, to:

→ The solid waste management authority shall prescribe the forms of proof which may be provided to satisfy the provisions of paragraph (b).

14 5. In addition to any other penalty prescribed by law, if a business entity is convicted of violating subsection 1:

(a) Such violation constitutes reasonable grounds for the revocation of any license to engage in business that has been issued to the business entity by any governmental entity of this State; and

(b) The solid waste management authority may seek the revocation of such a license by way of any applicable procedures established by the governmental entity that issued the license.

15 6. Except as otherwise provided in NRS 444.585, ownership of solid waste does not transfer from the person who originally possessed it until it is received for transport by a person authorized to dispose of solid waste pursuant to this chapter or until it is disposed of at a municipal disposal site. Identification of the owner of any solid waste which is disposed of in violation of subsection 1 creates a reasonable inference that the owner is the person who disposed of the solid waste. The fact that the disposal of the solid waste was not witnessed does not, in and of itself, preclude the identification of its owner.

A disclosure made in good faith pursuant to this subsection does not give rise to any action for damages for the disclosure.
