AN ACT relating to child welfare; requiring an agency which provides child welfare services to obtain and examine the credit report for certain children in its custody; requiring the agency to report each potential instance of identity theft or other crime to the Attorney General and make a diligent effort to resolve any inaccuracy in the report; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires an agency which provides child welfare services to provide maintenance and special services to children who are placed in the custody of the agency. (NRS 432.020) This bill requires an agency which provides child welfare services to obtain and examine the credit report of certain children placed into its custody when each child reaches the age of 16 years or, if a child has reached the age of 16 years before being placed into the custody of the agency, upon placement of the child, and at least once annually thereafter to identify any inaccuracies in the credit report. If the agency finds any inaccuracies, this bill requires the agency to report any information which indicates that a potential instance of identity theft or other crime may have occurred to the Attorney General and to continue to make a diligent effort to resolve each inaccuracy until all inaccuracies have been corrected. This bill authorizes the Attorney General to investigate any such reports and prosecute the persons responsible for any identity theft identified in the investigation.
