

CHAPTER.....

AN ACT relating to gaming; revising various definitions relating to gaming; revising provisions relating to the registration of persons who hold an ownership interest in certain business entities which hold a gaming license; revising provisions relating to the inspection of games, gaming devices, associated equipment, cashless wagering systems, inter-casino linked systems, mobile gaming systems and interactive gaming systems; revising provisions relating to the regulation of independent testing laboratories; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Nevada Gaming Commission and the State Gaming Control Board are required to administer state gaming licenses and manufacturer's, seller's and distributor's licenses, and to perform various acts relating to the regulation and control of gaming. (NRS 463.140) **Sections 1-4** of this bill revise the definitions of the terms "cashless wagering system," "gaming employee," "gross revenue" and "wagering credit" for the purposes of the statutory provisions governing the licensing and control of gaming.

Existing law requires audits of the financial statements of all nonrestricted licensees whose annual gross revenue is \$5,000,000 or more, and requires the amount of annual gross revenue to be increased or decreased annually in an amount determined by the Commission and corresponding to the Consumer Price Index. (NRS 463.159) **Section 5** of this bill requires the Board to make such a determination.

Existing law also requires a limited partner holding a 5 percent or less ownership in a limited partnership or a member holding a 5 percent or less ownership in a limited-liability company, who holds or applies for a state gaming license, to register with the Board and submit to the Board's jurisdiction within 30 days after the person acquires a 5 percent or less ownership interest. (NRS 463.569, 463.5735) **Sections 6 and 7** of this bill remove the requirement to register with the Board after acquiring such an ownership, and instead require a person to register upon seeking to hold a 5 percent or less ownership.

Finally, existing law requires the Commission to adopt regulations providing for the registration of independent testing laboratories, which may be utilized by the Board to inspect and certify gaming devices, equipment and systems, and any components thereof, and providing for the standards and procedures for the revocation of the registration of such independent testing laboratories. (NRS 463.670) **Section 8** of this bill: (1) extends the requirement of registration to additional persons that own, operate or have significant involvement with an independent testing laboratory; (2) provides that a person who is registered pursuant to **section 8** is subject to the same investigatory and disciplinary procedures as all other gaming licensees; and (3) authorizes the Commission to require a registered independent testing laboratory and certain persons associated with a registered independent testing laboratory to file an application for a finding of suitability.
