AN ACT relating to concealed firearms; authorizing a person who
possesses a permit to carry a concealed firearm issued by
another state to carry a concealed firearm in this State in
accordance with the laws of this State; repealing certain
other provisions concerning reciprocity of permits to
carry concealed firearms; and providing other matters
properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Public Safety to prepare annually a list
of states that have: (1) requirements for the issuance of a permit to carry a
concealed firearm that are substantially similar to or more stringent than the
requirements set forth in this State; and (2) an electronic database which identifies
each individual who possesses a valid permit to carry a concealed firearm by that
state and which a law enforcement officer in this State may access at all times.
Additionally, a state may only be included in the list if the Nevada Sheriffs' and
Chiefs' Association agrees with the Department's inclusion of the state. (NRS
202.3689) Existing law also authorizes a person who possesses a permit to carry a
concealed firearm that was issued by a state included in the list to carry a concealed
firearm in this State in accordance with the laws of this State unless the person: (1)
becomes a resident of this State; and (2) has not been issued a permit from the
sheriff of the county in which he or she resides within 60 days after becoming a
resident of this State. (NRS 202.3688)

Section 2 of this bill repeals all provisions of existing law relating to the list
prepared by the Department. **Section 1** of this bill authorizes a person who
