AN ACT relating to short-term lessors of vehicles; revising provisions governing the charging and collection of governmental services fees required upon the short-term leasing of passenger cars; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person licensed as a short-term lessor of vehicles must charge and collect from each short-term lessee of a passenger car a governmental services fee of 10 percent of the total amount for which the passenger car was leased, excluding some deductions. (NRS 482.313) **Section 1** of this bill adds to the list of permissible deductions the amount of any fee or charge that is imposed by a governmental entity. **Section 1** also provides an exemption from the imposition of the governmental services fee for any passenger car leased by or on behalf of this State, its unincorporated agencies and instrumentalities and any county, city, district or other political subdivision of this State.

Section 4 of this bill replaces the term "passenger car" with the term "vehicle" for the purposes of allowing an employee of a short-term lessor who holds a limited license as a producer of insurance to solicit and sell insurance requested by a short-term lessee. (NRS 683A.221)
