AN ACT relating to the Department of Corrections; requiring
certain provisions to be included in contracts entered into
between the Director of the Department of Corrections
and public or private entities to provide certain services to
offenders or parolees participating in a correctional or
judicial program for reentry of offenders and parolees into
the community; and providing other matters properly
relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Director of the Department of Corrections, after consulting with the Division of Parole and Probation of the Department of Public Safety, to enter into one or more contracts with one or more public or private entities to provide certain services, as necessary and appropriate, to offenders or parolees participating in a correctional or judicial program for reentry of offenders and parolees into the community. (NRS 209.4889) This bill removes the requirement that the Director consult with the Division before entering into such a contract and instead authorizes the Director to consult with the Division before entering into such a contract. This bill also requires such a contract to contain certain provisions concerning: (1) services that the entity will provide; (2) parolees who have completed or are currently participating in a program of services provided by the entity; (3) assessments of the risk levels and needs of offenders and parolees; and (4) annual meetings between the Director, a representative of the

Division, and entities which have entered into a contract with the Director to provide such services to offenders and parolees.
