

Assembly Bill No. 270—Committee
on Commerce and Labor

CHAPTER.....

AN ACT relating to real estate; revising the manner in which the fair market value of certain manufactured homes is determined; revising the definition of “dealer” for certain purposes to exclude a manufactured home park or an owner or agent of a manufactured home park; revising provisions relating to the issuance of limited lien resale licenses and permits authorizing a landlord or manager to sell a used mobile home; revising the circumstances under which a natural person who only offers or negotiates the terms of a residential mortgage loan is exempt from certain provisions governing mortgage brokers and mortgage agents; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines a “dealer” of a manufactured home to include a person who sells, leases or rents a manufactured home or mobile home and requires a dealer to hold a license issued by the Manufactured Housing Division of the Department of Business and Industry. (NRS 489.076, 489.311) **Section 2** of this bill amends the definition of “dealer” to exclude a manufactured home park or its owner or agent while renting or leasing manufactured or mobile homes located within and owned by the park.

Existing law also requires that if a manufactured home park converts to a park for older residents only, or a park for older residents converts to an unrestricted residency park, certain tenants who are unable to remove their manufactured or mobile homes must be reimbursed for the fair market value of their property, as determined by a licensed dealer or an appraiser. (NRS 118B.130) **Section 1** of this bill deletes the requirement that the fair market value of the property be assessed by a dealer or appraiser and requires the landlord to determine the fair market value using certain published guidelines. **Section 1** also allows a tenant who has received such a determination to request a second determination conducted by a certified appraiser or licensed dealer at the landlord’s expense.

Existing law requires the Division to adopt regulations for the issuance of limited lien resale licenses or permits authorizing a landlord or manager to sell a used mobile home located within a mobile home park that was obtained through a lien sale. (NRS 489.336) **Section 2.3** of this bill adds to this provision a mobile home that the landlord or manager obtained through a voluntary surrender by the owner.

Existing law sets forth the requirements for a person to engage in activities as a mortgage broker or mortgage agent, including the requirements for licensure. (Chapter 645B of NRS) Existing law also sets forth an exemption from those requirements for a natural person who only offers or negotiates the terms of a residential mortgage loan: (1) with or on behalf of an immediate family member; or (2) which is secured by a certain type of dwelling. (NRS 645B.015) **Section 2.7** of this bill expands the exemption for such a natural person when: (1) the residential mortgage loan is for a manufactured home; (2) the residential mortgage loan is financed by the seller; and (3) the seller has not engaged in a certain number of those loans.
