AN ACT relating to private professional guardians; requiring
licensing for persons engaged in the business of a private
professional guardian; establishing the requirements for
the licensing and operation of a private professional
guardian company; amending provisions related to the
appointment of a guardian under certain circumstances;
providing penalties; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:

Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.

Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. **Sections 18-26** of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. **Section 28** of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. **Section 29** of this bill establishes the process for the renewal of a license. **Section 30** of this bill establishes the process for surrender of a license.

Section 31 of this bill requires a licensee to keep a principal office in this State. **Section 32** of this bill establishes procedures for the Commissioner to approve an

out-of-state office of a private professional guardian company. **Section 33** of this bill requires a licensee to maintain certain types and levels of bonds and insurance.

Section 35 of this bill establishes the rights and authority of a licensee. **Section 36** of this bill prohibits certain activities by a licensee. **Sections 37-41** of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. **Sections 47 and 48** of this bill establish procedures for handling a complaint against a private professional guardian company. **Sections 49 and 50** of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as a guardian. (NRS 159.059) Existing law also requires a court to appoint as guardian for an incompetent the qualified person who is most suitable and is willing to serve as a guardian. (NRS 159.061) **Sections 50.5 and 51.5** of this bill require a court to appoint as guardian for an incompetent a person who, regardless of whether the person is a resident of this State, has been requested to be appointed as guardian in a written instrument executed by the incompetent while he or she was competent, if that person is willing to serve and is otherwise determined to be qualified and suitable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

15 in this chapter:

1 by the district attorney or other public agency pursuant to NRS
2 425.550 stating that the holder of the license has complied with the
3 subpoena or warrant or has satisfied the arrearage pursuant to
4 NRS 425.560.

5 2. The Commissioner shall reinstate a license that has been

9 license was suspended stating that the person whose license was
10 suspended has complied with the subpoena or warrant or has
11 satisfied the arrearage pursuant to NRS 425.560.

12 **Sec. 22.** 1. Within 90 days after the application for a

15 determine:

16 (a) That each person who will serve as a sole proprietor,
17 partner of a partnership, member of a limited-liability company or

38 there is evidence that the sole proprietor, officer or member
39 materially contributed to the actions resulting in the suspension or
40 revocation of the license.

41 (5) Has not been a sole proprietor or an officer or member
42 of the board of directors for an entity whose license as a private
43 professional guardian company which was issued by any other
44 state, district or territory of the United States or any foreign
45 country suspended or revoked within the 10 years immediately

preceding the date of the application if, in the reasonable judgment of the Commissioner, there is evidence that the sole proprietor, officer or member materially contributed to the actions resulting in the suspension or revocation of the license.

(6) Has not violated any of the provisions of this chapter or any regulations adopted pursuant thereto.

(b) That the financial status of each sole proprietor, partner, member or director and officer of the corporation and person acting in a managerial or case manager capacity indicates fiscal responsibility consistent with his or her position.

(d) That, except as otherwise provided in section 33 of this act, the initial surety bond is not less than the amount required by NRS 159.065.

2. In rendering a decision on an application for a license, the Commissioner shall consider, without limitation:

(a) The proposed markets to be served and, if they extend outside this State, any exceptional risk, examination or supervision concerns associated with those markets;

(b) Whether the proposed organizational and equity structure and the amount of initial equity or fidelity and surety bonds of the applicant appear adequate in relation to the proposed business and markets, including, without limitation, the average level of assets under guardianship projected for each of the first 3 years of operation; and

(c) Whether the applicant has planned suitable annual audits conducted by qualified outside auditors of its books and records and its fiduciary activities under applicable accounting rules and standards as well as suitable internal audits.

Sec. 23. 1. After conducting an investigation pursuant to section 22 of this act, if the Commissioner finds grounds for the denial of the application, the Commissioner shall provide to the applicant written notice of such grounds by personal service or certified mail.

2. The applicant may cure any defect or deficiency in the application and, not more than 30 days after receipt of the notice pursuant to subsection 1, resubmit the application for approval.

3. If an application is not approved, the Commissioner shall provide to the applicant written notice of the denial by personal service or certified mail. The applicant may request a hearing before the Commissioner, but if no such application is made within 30 days after the entry of an order refusing a license to any person, the Commissioner shall enter a final order.

4. The decision of the Commissioner is final for the purposes of judicial review.

Sec. 24. The Commissioner shall approve the application for a license, keeping on file his or her findings of fact pertaining thereto, if the Commissioner finds that the applicant has met all the requirements of this chapter pertaining to the applicant's qualifications and application.

Sec. 25. 1. If the Commissioner approves an application pursuant to section 24 of this act and the applicant pays the required fees, the Commissioner shall issue to the applicant a license to engage in the business of a private professional guardian.

2. A license issued pursuant to subsection 1 must contain:

(a) The name of the licensee.

(b) The locations by street and number where the licensee is authorized to engage in business.

(c) The number and the date of issuance of the license.

(d) That the license is issued pursuant to this chapter and that the licensee is authorized to engage in the business of a private professional guardian under this chapter.

(e) The expiration date of July 1 of the next year.

Sec. 26. 1. The Commissioner shall maintain in the Office of the Commissioner, in a suitable record provided for that purpose, each application for a license and all bonds required to be filed pursuant to this chapter. The record must state the date of issuance or denial of the license and the date and nature of any action taken relating to an application.

2. Each license issued by the Commissioner must be sufficiently identified in the record.

3. Each renewal of a license must be recorded in the same manner as the original license, and the number of the preceding license issued must be recorded.

Sec. 27. Each license issued pursuant to this chapter must be conspicuously displayed in the place of business designated in the license.

Sec. 28. 1. A license issued pursuant to this chapter is not transferable or assignable, but upon the approval of the Commissioner and any applicable court of jurisdiction, a licensee may merge or consolidate with, or transfer its assets and control to, another person who holds a license pursuant to this chapter. In determining whether to grant the approval, the Commissioner may consider the factors set forth in section 22 of this act.

2. If a change in the control of a private professional guardian company occurs, the chief executive officer or managing member of the company shall report the change in control and the

1 *name of the person obtaining control to the Commissioner within*
2 *5 business days after obtaining knowledge of the change.*

3 3. A private professional guardian company shall, within 5
4 business days after a change in the chief executive officer,
5 managing member or a majority of the directors or managing
6 directors of the company occurs, report the change to the
7 Commissioner. The company shall include in its report to the
8 Commissioner a statement of the past and current business and
9 professional affiliations of each new chief executive officer,
10 managing member, director or managing director. A new chief
11 executive officer, managing member, director or managing
12 director shall furnish to the Commissioner a complete financial
13 statement on a form prescribed by the Commissioner.

14 4. A person who intends to acquire control of a private
15 professional guardian company shall submit an application to the
16 Commissioner. The application must be submitted on a form
17 prescribed by the Commissioner. The Commissioner shall conduct
18 an investigation pursuant to section 22 of this act to determine
19 whether the person has a good reputation for honesty,
20 trustworthiness and integrity and is competent to control the
21 private professional guardian company in a manner which
22 protects the interests of the general public.

23 5. The private professional guardian company of which the
24 applicant intends to acquire control shall pay the nonrefundable
25 cost of the investigation as required by the Commissioner. If the
26 Commissioner denies the application, the Commissioner may
27 prohibit or limit the applicant's participation in the business.

28 6. As used in this section, "control" means the possession,
29 directly or indirectly, of the authority to direct or cause the
30 direction of the management and policy of a private professional
31 guardian company, or a change in the ownership of at least 25
32 percent of the outstanding voting stock of, or participating
33 members' interest in, the company.

34 **Sec. 29.** 1. A private professional guardian company
35 wishing to renew a license to engage in the business of a private
36 professional guardian shall file in the Office of the Commissioner,
37 on or before the June 1 of the year after the year of the original
38 issuance of the license, an application, which must contain,
39 without limitation, the number of the license being renewed. The
40 application for renewal must be accompanied by a renewal fee of
41 not more than \$1,500 and all information required to complete the
42 application.

43 2. The Commissioner shall issue a renewal license to the
44 applicant, which must be dated July 1 next ensuing the date of the
45 application, in form and text similar to the original except that, in

1 addition, the renewal must include the date and number of the
2 earliest license issued.

3 3. All requirements of this chapter with respect to original
4 licenses and bonds apply to all renewal licenses and bonds, except
5 as otherwise provided in this section.

6 4. The Commissioner shall refuse to renew a license if at the
7 time of application a proceeding to revoke or suspend the license
8 is pending.

9 5. The Commissioner shall adopt regulations establishing the
10 amount of the fee required pursuant to this section. All money
11 collected under the provisions of this section must be deposited in
12 the State Treasury pursuant to the provisions of NRS 658.091.

13 **Sec. 30.** If any private professional guardian company
14 wishes to discontinue its business, the company shall furnish to
15 the Commissioner satisfactory evidence of the release and
16 discharge from all obligations which the company has assumed or
17 which have been imposed by law. Thereafter, the Commissioner
18 shall enter an order cancelling the license of the private
19 professional guardian company.

20 **Sec. 31.** 1. A private professional guardian company
21 licensed pursuant to this chapter shall maintain its principal office
22 in this State.

23 2. To qualify as the principal office for the purposes of
24 subsection 1, an office of the private professional guardian
25 company must:

26 (a) Have a verifiable physical location in this State at which
27 the private professional guardian company conducts such
28 business operations in this State as are necessary to administer
29 private professional guardianships in this State;

31 who is licensed pursuant to this chapter, a permanent resident of
32 this State and at least 21 years of age;

33 (c) Have any license issued pursuant to this chapter
34 conspicuously displayed;

35 (d) Have available at the office originals or true copies of all
36 material business records and accounts of the private professional
37 guardian company, which must be readily available to access and
38 readily available for examination by the Division;

39 (e) Have available to the public written procedures for making
40 claims against the surety bond required to be maintained pursuant
41 to section 33 of this act;

42 (f) Have available all services to residents of this State which
43 are consistent with the business plan of the private professional
44 guardian company included with the application for a license; and

(g) Comply with any other requirements specified by the Commissioner.

Sec. 32. 1. It is unlawful for any person licensed pursuant to this chapter to engage in the business of a private professional guardian at any office outside this State without the prior approval of the Commissioner.

2. Before the Commissioner will approve a branch to be located outside this State, the private professional guardian must:

(a) Obtain from that state any required license as a private professional guardian; or

(b) Provide proof satisfactory to the Commissioner that the private professional guardian company has met all the requirements to engage in the business of a private professional guardian in that state pursuant to its laws, including, without limitation, written documentation from the appropriate court or state agency that the private professional guardian company is authorized to do business in that state.

3. For each branch location of a private professional guardian company organized under the laws of this State, and every branch location in this State of a foreign private professional guardian company authorized to do business in this State, a request for approval and licensing must be filed with the Commissioner on forms prescribed by the Commissioner. A nonrefundable fee of not more than \$500, as provided by the Commissioner, must accompany each request. In addition, a fee of not more than \$200, to be prorated on the basis of the licensing year as provided by the Commissioner, must be paid at the time of making the request. Money collected pursuant to this section must be deposited in the Investigative Account for Financial Institutions created by NRS 232.545.

4. A foreign corporation or limited-liability company wishing to engage in the business of a private professional guardian in this State must use a name that distinguishes it from any other private professional guardian in this State.

Sec. 33. 1. The Commissioner may require a private professional guardian company to maintain equity, fidelity and surety bonds in amounts that are more than the minimum required initially or at any subsequent time based on the Commissioner's assessment of the risks associated with the business plan of the private professional guardian or other information contained in the application, the Commissioner's investigation of the application or any examination of or filing by the private professional guardian company thereafter, including, without limitation, any examination before the opening of the

business. In making such a determination, the Commissioner may consider, without limitation:

(a) The nature and type of business to be conducted by the private professional guardian company;

(b) The nature and liquidity of assets proposed to be held in the account of the private professional guardian company;

(c) The amount of fiduciary assets projected to be under the management or administration of the private professional guardian company;

(d) The type of fiduciary assets proposed to be held and any proposed depository of such assets;

(e) The complexity of the fiduciary duties and degree of discretion proposed to be undertaken by the private professional guardian company;

(f) The competence and experience of the proposed management of the private professional guardian company;

(g) The extent and adequacy of proposed internal controls;

(h) The proposed presence of annual audits by an independent certified public accountant, and the scope and frequency of such audits, whether they result in an opinion of the accountant and any qualifications to the opinion;

(i) The reasonableness of business plans for retaining or acquiring additional equity capital;

The private professional guardian is subject to removal and to imposition of personal liability through a proceeding for discharge, in addition to any other remedies otherwise available.

4. A court shall not appoint a private professional guardian that is not licensed pursuant to this chapter as the guardian of a person or estate. The court must review each guardianship involving a private professional guardian on the anniversary date of the appointment of the private professional guardian. If a private professional guardian does not hold a current license, the

1 court must replace the guardian until such time as the private
2 professional guardian obtains the necessary license.

3 5. The provisions of NRS 159.076 regarding summary
4 administration do not apply to a private professional guardian.

5 6. A licensee shall file any report required by the court in a
6 timely manner.

7 **Sec. 37. 1.** Except as otherwise provided in NRS 159.076, a
8 licensee shall maintain a separate guardianship account for each
9 ward into which all money received for the benefit of the ward
10 must be deposited. Each guardianship account must be
11 maintained in an insured bank or credit union located in this
12 State, be held in a name which is sufficient to distinguish it from
13 the personal or general checking account of the licensee and be
14 designated as a guardianship account. Each guardianship account
15 must at all times account for all money received for the benefit of
16 the ward and account for all money dispersed for the benefit of the
17 ward, and no disbursement may be made from the account except
18 as authorized under chapter 159 of NRS or as authorized by court
19 order.

20 2. Each licensee shall keep a record of all money deposited in
21 each guardianship account maintained for a ward, which must
22 clearly indicate the date and from whom the money was received,
23 the date the money was deposited, the dates of withdrawals of
24 money and other pertinent information concerning the
25 transactions. Records kept pursuant to this subsection must be
26 maintained for at least 6 years after the completion of the last
27 transaction concerning the account. The records must be
28 maintained at the premises in this State at which the licensee is
29 authorized to conduct business.

30 3. The Commissioner or his or her designee may conduct an
31 examination of the guardianship accounts and records relating to

33 pursuant to this chapter at any time to ensure compliance with the
34 provisions of this chapter.

35 4. During the first year a private professional guardian is
36 licensed in this State, the Commissioner or his or her designee
37 may conduct any examinations deemed necessary to ensure
38 compliance with the provisions of this chapter.

39 5. If there is evidence that a private professional guardian
40 company has violated a provision of this chapter, the
41 Commissioner or his or her designee may conduct additional
42 examinations to determine whether a violation has occurred.

43 6. Each licensee shall authorize the Commissioner or his or
44 her designee to examine all books, records, papers and effects of
45 the private professional guardian company.

7. If the Commissioner determines that the records of a licensee are not maintained in accordance with subsections 1 and 2, the Commissioner may require the licensee to submit, within 60 days, an audited financial statement prepared from the records of the licensee by a certified public accountant who holds a certificate to engage in the practice of public accounting in this State. The Commissioner may grant a reasonable extension of time for the submission of the financial statement if an extension is requested before the statement is due.

8. Upon the request of the Division, a licensee must provide to the Division copies of any documents reviewed during an examination conducted by the Commissioner or his or her designee pursuant to subsection 4, 5 or 6. If the copies are not provided, the Commissioner may subpoena the documents.

9. For each examination of the books, papers, records and effects of a private professional guardian company that is required or authorized pursuant to this chapter, the Commissioner shall charge and collect from the private professional guardian company a fee for conducting the examination and preparing a report of the examination based upon the rate established by regulation pursuant to NRS 658.101. Failure to pay the fee within 30 days after receipt of the bill is grounds for revoking the license of the private professional guardian company.

10. All money collected under this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 38. 1. After an examination is conducted pursuant to section 37 of this act, the person who conducted the examination shall prepare a written report of the results of the examination which must be signed by the Commissioner or his or her designee.

2. The written report must contain a true and detailed statement of the financial condition of the private professional guardian company and, if applicable, a full statement of any violations of the provisions of this chapter.

Sec. 39. 1. The Commissioner shall provide a copy of a report prepared pursuant to section 38 of this act to the president or secretary of the board of directors of the private professional guardian company if the company is a corporation, or to a manager or owner of the private professional guardian company if the company is not a corporation, and may make a copy available to each member of the board of directors or each manager or owner, as applicable. If, in the judgment of the Commissioner, the report discloses any violation of the provisions of this chapter committed by the private professional guardian company, or if it appears from the report that there are certain conditions existing which should be corrected by the private professional guardian

company, the Commissioner may, in writing, call the matter to the attention of each member of the board of directors or each manager or owner, with instructions to correct the condition.

2. Upon the preparation of the report as provided in section 38 of this act, the Commissioner shall also serve a copy thereof to the court having jurisdiction of each ward of the private professional guardian company.

Sec. 40. 1. The Commissioner may require a licensee to submit an annual financial statement or an audited financial statement prepared by an independent certified public accountant licensed to do business in this State, dependent upon the size and complexity of the private professional guardian company.

2. If applicable, on or before the fourth Monday in January of each year, each licensee shall submit to the Commissioner the stock ledger of stockholders of the corporation required to be maintained pursuant to paragraph (c) of subsection 1 of NRS 78.105 or the list of each member and manager required to be maintained pursuant to paragraph (a) of subsection 1 of NRS 86.241, verified by the president or a manager, as appropriate.

3. A list of each member and manager submitted pursuant to subsection 2 must include the percentage of each member's interest in the company, in addition to the requirements set forth in NRS 86.241.

4. If a licensee fails to submit the ledger or list required pursuant to this section within the prescribed period, the Commissioner may impose and collect a fee of not more than \$10 for each day the report is late.

5. The Commissioner shall adopt regulations establishing the amount of the fee that may be imposed pursuant to this section.

Sec. 41. Except as otherwise provided in NRS 239.0115, any application and personal or financial records submitted to the Division pursuant to the provisions of this chapter and any personal or financial records or other documents obtained by the Division pursuant to an examination conducted by the Commissioner or his or her designee or in response to a subpoena are confidential and may be disclosed only to:

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

2. Any person if the Commissioner, in his or her discretion, determines that the interests of the public that would be protected by disclosure outweigh the interest of any person in the confidential information not being disclosed.

Sec. 42. 1. The Commissioner may require the immediate removal from office of any officer, director, manager or employee

1 of any private professional guardian company doing business
2 under this chapter who is found to be dishonest, incompetent or
3 reckless in the management of the affairs of the private
4 professional guardian company, or who persistently violates the
5 laws of this State or the lawful orders, instructions and regulations
6 issued by the Commissioner.

7 2. An officer, director, manager or employee of a private
8 professional guardian company who is required to be removed
9 from office pursuant to subsection 1 may appeal his or her
10 removal by filing a written request for a hearing with the
11 Commissioner within 10 days after the effective date of his or her
12 removal. The Commissioner shall conduct the hearing after
13 providing at least 5 days' written notice to the private professional
14 guardian company and the officer, director, manager or employee
15 who is appealing his or her removal from office. Within 5 days
16 after the conclusion of the hearing, the Commissioner shall enter
17 an order affirming or disaffirming the removal of the person from
18 office. An order of the Commissioner entered pursuant to this
19 subsection is final for the purposes of judicial review.

20 **Sec. 43. 1.** The Commissioner may take administrative
21 action against a licensee, including, without limitation, revoking
22 or suspending the license, or initiate proceedings as provided in
23 section 46 of this act if the company:

25 applicable to the business of a private professional guardian.

37 affairs and concerns for inspection and examination of an
38 appointed or authorized examiner of the Commissioner.

39 (i) Has refused to provide copies to the Division upon request,
40 and in cooperation with any investigation, inspection or
41 examination, of any and all documents reviewed by the Division

2. The Commissioner also may initiate such proceedings to take possession of the business and property of any private professional guardian company if an officer, partner, member or sole proprietor of the private professional guardian company refuses to be examined upon oath regarding its affairs.

Sec. 44. 1. If the Commissioner has reason to believe that grounds for the revocation or suspension of a license exist, the Commissioner shall give at least 20 days' written notice to the licensee stating the contemplated action and, in general, the grounds therefor and set a date for a hearing.

2. At the conclusion of a hearing, the Commissioner shall:

(a) Enter a written order dismissing the charges, revoking the license or suspending the license for a period of not more than 60 days, which period must include any prior temporary suspension. The Commissioner shall send a copy of the order to the licensee by registered or certified mail.

(c) If a fine is imposed pursuant to this section, enter such order as is necessary to recover the costs of the proceeding, including investigative costs and attorney's fees.

3. The grounds for revocation or suspension of a license are that:

(a) The licensee has failed to pay the annual license fee;

(b) The licensee has violated any provision of this chapter or any regulation adopted pursuant thereto or any lawful order of the Commissioner;

(c) The licensee has failed to pay any applicable state or local tax as required;

(d) Any fact or condition exists which would have justified the Commissioner in denying the original application for a license pursuant to the provisions of this chapter; or

(e) The licensee:

(1) Failed to open an office for the conduct of the business authorized by his or her license within 180 days after the date the license was issued; or

(2) Has failed to remain open for the conduct of the business for a period of 30 consecutive days without good cause therefor.

4. An order suspending or revoking a license becomes effective 5 days after being entered unless the order specifies otherwise or a stay is granted.

Sec. 45. If the Commissioner finds that probable cause for the revocation of any license exists and that the public interest requires the immediate suspension of the license pending an investigation, the Commissioner may, upon 5 days' written notice offering the opportunity for a hearing, enter an order suspending the license for a period of not more than 20 days, pending a hearing upon the revocation of the license unless the opportunity for a hearing is waived by the licensee.

Sec. 46. 1. If the Commissioner has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this chapter, the Commissioner may, in addition to any action provided for in this chapter and chapter 233B of NRS and without prejudice thereto, enter an order requiring the person to cease and desist or to refrain from such violation.

2. The Commissioner may bring an action to enjoin a person from engaging in or continuing a violation or from doing any act or acts in furtherance thereof. In any such action, irreparable harm and lack of an adequate remedy at law will be presumed and an order or judgment may be entered awarding a preliminary or final injunction as may be deemed proper. The findings of the Commissioner shall be deemed to be prima facie evidence and sufficient grounds, in the discretion of the court, for the issuance ex parte of a temporary restraining order.

3. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which an action is brought may impound, and appoint a receiver for, the property and business of the person, including books, papers, documents and records pertaining thereto, or so much thereof as a court may deem reasonably necessary to prevent violations of this chapter through or by means of the use of property and business, whether such books, papers, documents and records are in the possession of the person, a registered agent acting on behalf of the person or any other person. If a receiver is appointed and qualified, the receiver has such powers and duties relating to the custody, collection, administration, winding up and liquidation of such property and business as may be conferred upon the receiver by the court.

4. If a receiver is appointed pursuant to subsection 3, the receiver shall remit to the owners, members or shareholders of the private professional guardian company any amount of equity of the private professional guardian company remaining after the discharge of the liabilities and payment of the normal, prudent and reasonable expenses of the receivership.

Sec. 47. 1. Upon the filing with the Commissioner of a verified complaint against a private professional guardian company, the Commissioner shall investigate the alleged violation of the provisions of this chapter.

3. The Commissioner may require the private professional guardian company that is the subject of a complaint to file a verified answer to the complaint within 10 days after receipt of the complaint unless, for good cause shown, the Commissioner extends the time required for filing an answer for a period not to exceed 60 days.

4. If at the hearing the complaint is not explained to the satisfaction of the Commissioner, the Commissioner may take such action against the private professional guardian company as authorized by the provisions of this chapter.

Sec. 48. 1. Except as otherwise provided in this section and NRS 239.0115, a complaint filed with the Commissioner, all documents and other information filed with the complaint and all documents and other information compiled as a result of an investigation conducted to determine whether to initiate disciplinary action are confidential.

2. The maximum total fine that the Commissioner may impose on any person pursuant to this section with respect to the same or similar actions or series of actions which constitute the violations must not exceed the greater of \$250,000 or 125 percent of the monetary value of all losses incurred by the private

professional guardian company and its wards as the direct or indirect result of such violations.

Sec. 50. 1. *A licensee who knowingly or willfully neglects to perform any act or duty required by this chapter or other applicable law, or who knowingly or willfully fails to satisfy any material lawful requirement made by the Commissioner is guilty of a category D felony and shall be punished as provided in NRS 193.130.*
