

Assembly Bill No. 486—Committee on Ways and Means

CHAPTER.....

AN ACT relating to insurance; abolishing the Insurance Examination Account; requiring fees currently paid into the Account to be paid into the Fund for Insurance Administration and Enforcement; abolishing certain fees paid into the Insurance Recovery Account; authorizing the Commissioner of Insurance to impose a fee on certain licensees if the balance of the Account is less than a certain amount at the end of a fiscal year; revising initial and annual fees paid by certain insurers; abolishing the Stabilization of Insurance Costs Account and the National Association of Insurance Commissioners Account and certain fees paid into them; repealing certain other fees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Commissioner of Insurance to examine, at least once every 5 years, the affairs, transactions, accounts, records and assets of each authorized insurer, and of any person as to any matter relevant to the financial affairs of the insurer or to the examination. (NRS 679B.230) An insurer that is examined is required to pay the cost of the examination. (NRS 679B.290) The money paid by insurers for such examinations is deposited in the Insurance Examination Account, and the money in the Account is used to pay for the expenses incurred by examiners and other representatives of the Division of Insurance of the Department of Business and Industry when examining insurers. (NRS 679B.300) **Section 1** of this bill abolishes the Account and instead requires money paid by insurers for such examinations to be deposited in the Fund for Insurance Administration and Enforcement. **Section 1** also requires the expenses for such examinations to be paid from the Fund.

Existing law requires: (1) certain annual fees to be paid on or before March 1 of every year; and (2) eligible surplus line insurers, fraternal benefit societies, corporations that operate a hospital, medical or dental service plan, health maintenance organizations, organizations for dental care, prepaid limited health service organizations and certain other insurers to pay to the Commissioner an initial fee of \$1,300 and an annual fee of \$1,300. (NRS 680C.110) **Section 4** of this bill instead requires: (1) certain annual fees to be paid on or before the date established by regulation of the Commissioner; (2) each insurer authorized to transact casualty insurance, health insurance, life insurance or property insurance and each title insurer, fraternal benefit society, corporation that operates a hospital, medical or dental service plan, health maintenance organization, organization for dental care and prepaid limited health service organization to pay to the Commissioner an initial fee of \$1,000 and an annual fee determined by the Commissioner; and (3) certain other insurers to pay to the Commissioner an initial fee of \$1,300 and an annual fee of \$1,300.

Existing law creates the Insurance Recovery Account in the Fund for Insurance Administration and Enforcement and requires an applicant for the issuance or renewal of certain licenses and certificates to practice certain professions relating to insurance to pay a fee of not more than \$15 for deposit in the Insurance Recovery Account. (NRS 679B.305, 683A.251, 683A.261, 683A.271, 683C.030, 683C.035,

683C.040, 685A.120, 695J.110, 695J.140, 696A.300) **Sections 5-17** of this bill abolish the licensing fees paid into the Account. Instead, **section 2** of this bill authorizes the Commissioner to impose a fee of not more than \$10 on each producer of insurance, insurance adjuster, surplus lines broker, title agent, title insurer and escrow officer in this State if the balance of the Account is below \$40,000 at the end of any fiscal year.

Existing law requires an insurer authorized to transact casualty or property insurance to pay a fee of not more than \$500 to the Division. The fee is deposited in the Stabilization of Insurance Costs Account and used to pay the expenses of the Commissioner in carrying out certain requirements relating to the stabilization of insurance costs. (NRS 679B.450) **Section 17** repeals this fee and the Account.

Existing law requires each authorized insurer, fraternal benefit society, health maintenance organization, organization for dental care, prepaid limited health service organization and motor club to pay to the Commissioner an annual amount of not more than \$30 to cover an assessment levied upon this State by the National Association of Insurance Commissioners. The money is deposited in the National Association of Insurance Commissioners Account. (NRS 680B.070) **Section 17** repeals this annual amount and the Account.

A producer of insurance may qualify for a license in one or more of the lines of authority permitted by statute or regulation, including:

A producer of insurance may submit a request for a renewal of his or her license within 30 days after the date specified on the license for the renewal if the producer of insurance otherwise complies with the provisions of this subsection and pays, in addition to any fee paid pursuant to this subsection, a penalty of 50 percent of all applicable renewal fees, except for any fee required pursuant to NRS 680C.110. A license as a producer of insurance expires if the Commissioner receives a request for a renewal of the license more than 30 days after the date specified on the license for the renewal. A fee paid pursuant to this subsection is nonrefundable.

3. A natural person who allows his or her license as a producer of insurance to expire may reapply for the same license within 12 months after the date specified on the license for a renewal without passing a written examination or completing a course of study required by paragraph (c) of subsection 1 of NRS 683A.251, but a penalty of twice all applicable renewal fees, except for any fee required pursuant to NRS 680C.110, is required for any request for a renewal of the license that is received after the date specified on the license for the renewal.

The mailing of a letter by certified mail, return receipt requested, addressed to the licensee at his or her last mailing address appearing on the records of the Division, and the return of the letter undelivered, constitutes a diligent effort by the Commissioner.

Sec. 7. NRS 683A.271 is hereby amended to read as follows:

683A.271 1. Unless the Commissioner refuses to issue the license under NRS 683A.451, the Commissioner shall issue a license as a producer of insurance to a nonresident person if the nonresident person:

(a) Is currently licensed as a resident and in good standing in his or her home state;

The Commissioner may participate with the National Association of Insurance Commissioners or a subsidiary in a centralized registry in which licensing and appointment of producers of insurance may be effected for all states that require licensing and participate in the registry. If the Commissioner finds that participation is in the public interest, the Commissioner may adopt by regulation any uniform standards and procedures necessary for participation, including central collection of fees for licensing and appointment that are handled through the registry.

3. A nonresident producer who moves from one state to another state shall file a change of address and certification from the new state of residence within 30 days after the change of legal residence. No fee or application for license is required.

4. A nonresident licensed as a producer for surplus lines in his or her home state must be issued a nonresident license of that kind in this State pursuant to subsection 1, subject in all other respects to chapter 685A of NRS. A nonresident licensed as a producer for limited lines in his or her home state is entitled to a nonresident license of that kind in this State pursuant to subsection 1, granting the same scope of authority as the license issued in the home state. As used in this subsection, insurance for limited lines is authority granted by the home state which is restricted to less than the total authority prescribed for the associated major lines pursuant to NRS 683A.261.
