AN ACT relating to statutes; making technical corrections to certain measures passed by the 78th Legislative Session; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill makes technical corrections to certain legislative measures which were previously passed this session. Existing law requires the Department of Public Safety to prepare annually a list of states that have: (1) requirements for the issuance of a permit to carry a concealed firearm that are substantially similar to or more stringent than the requirements set forth in this State; and (2) an electronic database which identifies each individual who possesses a valid permit to carry a concealed firearm by that state and which a law enforcement officer in this State may access at all times. (NRS 202.3689) Section 4.5 of Senate Bill No. 175 instead requires the Department to determine whether each state requires a person to complete any training, class or program for purposes of preparing the list. **Section 1** of this bill amends section 4.5 of Senate Bill No. 175 to remove the requirement that the Nevada Sheriffs' and Chiefs' Association must agree with the Department's inclusion of a state in the list.

Sections 2-4 of this bill amend Senate Bill No. 240 to resolve a potential conflict with Senate Bill No. 175. **Sections 2-4:** (1) amend several sections of Senate Bill No. 240 to make those sections identical to the corresponding sections in Senate Bill No. 175; and (2) provide that a person who is adversely affected by the enforcement of an ordinance or regulation, which is inconsistent with the rights and powers of the Legislature to regulate certain provisions relating to firearms, on or after October 1, 2015, may file suit in the appropriate court for declarative and injunctive relief and damages.
