**Legislative Counsel's Digest:**

Existing law requires the Department of Public Safety to prepare annually a list of states  
that have: (1) requirements for the issuance of a permit to carry a concealed firearm that are  
substantially similar to or more stringent than the requirements set forth in this State; and (2)  
an electronic database which identifies each individual who possesses a valid permit to carry a  
concealed firearm by that state and which a law enforcement officer in this State may access  
at all times. Additionally, a state may only be included in the list if the Nevada Sheriffs' and  
Chiefs' Association agrees with the Department's inclusion of the state. (NRS 202.3689)  
Existing law also authorizes a person who possesses a permit to carry a concealed firearm that  
was issued by a state included in the list to carry a concealed firearm in this State in  
accordance with the laws of this State unless the person: (1) becomes a resident of this State;  
and (2) has not been issued a permit from the sheriff of the county in which he or she resides
