22 3. The board of fire commissioners of a district organized pursuant to NRS
23 474.460, in cooperation with the State Forester Firewarden or his or her
24 designee, shall, before the board enters into a cooperative agreement with a
25 rangeland fire protection association pursuant to NRS 472.060 or 472.070 and
26 annually thereafter during the term of the agreement, evaluate:

27 (a) The governance and management structure of the association;

28 (b) The adequacy of any policy of liability insurance carried by the
29 association;

30 (c) The condition and maintenance of the vehicles and equipment used by
31 the association in carrying out its duties; and

32 (d) The training and qualifications of each member of the association in
33 accordance with national standards or other substantially equivalent standards
34 determined by the district.

35 4. The board of fire commissioners of a district organized pursuant to NRS
36 474.460 may delegate the performance of the evaluation required pursuant to
37 subsection 3 to the State Forester Firewarden. The State Forester Firewarden
38 shall report to the board of fire commissioners the results of any such delegated
39 evaluation.

40 5. The board of fire commissioners of a district organized pursuant to NRS
41 474.460, the State Forester Firewarden and any other agency which is a party to
42 a cooperative agreement entered into with a rangeland fire protection association
43 shall, to the extent practicable, assist the association in procuring funding for the
44 association, carrying out the duties of the association, training the members of
45 the association and providing personal protective equipment for the members of
46 the association.

47 Sec. 8. NRS 474.163 is hereby amended to read as follows:

48 474.163 1. The board of directors of a county fire protection district may
49 appoint a district fire chief who shall have adequate training and experience in fire
50 control and who shall hire such employees as are authorized by the board. The
51 district fire chief shall administer all fire control laws in the district and perform
52 such other duties as may be designated by the board of directors. The district fire
53 chief shall coordinate fire protection activities in the district and shall cooperate

with all other fire protection agencies ~~and~~ *and rangeland fire protection associations.*

2. In lieu of or in addition to the provisions of subsection 1, the board of directors may:

(a) Provide fire protection to the county fire protection district by entering into agreements with other agencies *or rangeland fire protection associations* as provided by NRS 277.180 and 472.060 to 472.090, inclusive, for the furnishing of such protection to the district; or

(b) Support volunteer fire departments within the county fire protection district for the furnishing of such protection to the district.

Sec. 8.5. NRS 474.470 is hereby amended to read as follows:

474.470 The board of fire commissioners shall:

1. Manage and conduct the business and affairs of districts organized pursuant to the provisions of NRS 474.460.

2. Adopt and enforce all rules and regulations necessary for the administration and government of the districts and for the furnishing of fire protection thereto, which may include regulations relating to emergency medical services and fire prevention. The regulations may include provisions that are designed to protect life and property from:

(a) The hazards of fire and explosion resulting from the storage, handling and use of hazardous substances, materials and devices; and

(b) Hazardous conditions relating to the use or occupancy of any premises.

Any regulation concerning hazardous substances, materials or devices adopted pursuant to this section must be consistent with any plan or ordinance concerning those substances, materials or devices that is required by the Federal Government and has been adopted by the board of county commissioners.

3. Organize, regulate, establish and disband fire companies, departments or volunteer fire departments for the districts.

4. Provide for the payment of salaries to the personnel of those fire companies or fire departments.

5. Provide for payment from the proper fund of all the debts and just claims against the districts.

6. Employ agents and employees for the districts sufficient to maintain and operate the property acquired for the purposes of the districts.

7. Acquire real or personal property necessary for the purposes of the districts and dispose of the property if no longer needed.

8. Construct any necessary structures.

9. Acquire, hold and possess, by donation or purchase, any land or other property necessary for the purpose of the districts.

10. Eliminate and remove fire hazards from the districts if practicable and possible, whether on private or public premises, and to that end the board of fire commissioners may clear the public highways and private lands of dry grass, stubble, brush, rubbish or other inflammable material in its judgment constituting a fire hazard.

11. Perform all other acts necessary, proper and convenient to accomplish the purposes of NRS 474.460 to 474.540, inclusive, ~~and~~ *and section 7.7 of this act.*

Sec. 9. NRS 474.500 is hereby amended to read as follows:

474.500 1. The board of fire commissioners may appoint a district fire chief who shall have adequate training and experience in fire control and who shall hire such employees as are authorized by the board. The district fire chief shall administer all fire control laws in the territory of the county described by NRS 474.460 and perform such other duties as may be designated by the board of fire commissioners and the State Forester Firewarden. The district fire chief shall

1 coordinate fire protection activities in the district and shall cooperate with all other
2 existing fire protection agencies *and rangeland fire protection associations* and
3 with the State Forester Firewarden for the standardization of equipment and
4 facilities.

5 2. In lieu of or in addition to the provisions of subsection 1, the board of fire
6 commissioners may:

7 (a) Provide the fire protection required by NRS 474.460 to 474.540, inclusive,
8 *and section 7.7 of this act* to the districts by entering into agreements with other
9 agencies *or rangeland fire protection associations* as provided by NRS 472.060 to
10 472.090, inclusive, and 277.180, for the furnishing of such protection to the
11 districts; or

12 (b) Support volunteer fire departments within districts organized under the
13 provisions of NRS 474.460 to 474.540, inclusive, *and section 7.7 of this act* for the
14 furnishing of such protection to the districts.

15 **Sec. 10.** This act becomes effective:

16 1. Upon passage and approval for the purposes of adopting regulations and
17 performing any other preparatory administrative tasks necessary to carry out the
18 provisions of this act; and

19 2. On January 1, 2016, for all other purposes.
