EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to municipal obligations; clarifying that a general obligation issued or incurred by a municipality or school district must be used only for the stated purpose for which the general obligation was originally issued or incurred; requiring certain information to be included in certain publications relating to the intent of a municipality to issue or incur obligations; ~~prescribing~~ **revising** the manner of publication ~~and limiting the amount of a general obligation that may be issued or incurred in certain circumstances;~~ **of a certain notice;** and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes municipalities and school districts to issue or incur general obligations upon meeting certain requirements. Municipalities generally are required to submit a proposal to issue or incur general obligations to the electors of the municipality at a special or general election, with the exception that municipalities may issue or incur general obligations by an affirmative vote of two-thirds of the members of the governing body of the municipality finding that the pledged **non property tax** revenue ~~of the project to be financed~~ will be sufficient to service the debt, upon publishing a resolution of intent to issue or incur the obligation and upon meeting certain other procedural requirements. Under the exception, not less than 5 percent of the registered voters of the municipality can reject the issuance of the obligation by petition. (NRS 350.020) This bill: (1) clarifies that a general obligation issued or incurred by a municipality or school district must be used only for the stated purpose for which the general obligation was originally issued or incurred and not for any other purpose; (2) requires a publication of a resolution of the intent of a municipality to issue or incur a general obligation to include ~~a description of the manner by which the registered voters of the municipality may petition the governing body~~ **certain information relating to the filing of a petition** to reject the issuance of the obligation; **and** (3) requires the publication **of the notice of the public hearing concerning the incurrence of the obligation** to be made at least three times, once a week for 3 consecutive weeks, in a newspaper of general circulation in the municipality ~~and~~ **and** (4) ~~prohibits a governing body of a municipality that may otherwise issue or incur a general obligation without submitting the proposal to the electors on a ballot at an election from issuing or incurring a general obligation in an amount greater than \$2,500,000 in a county whose population is less than 100,000, or \$5,000,000 in a county whose population is 100,000 or more.~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 350.020 is hereby amended to read as follows:

350.020 1. *A general obligation issued or incurred pursuant to this section must be used only for the stated purpose for which the general obligation was originally issued or incurred and not for any other purpose.* Except as otherwise provided by subsections 3 and 4, if a municipality proposes to issue or incur general obligations, the proposal must be submitted to the electors of the municipality at a special election called for that purpose or the next general municipal election or general state election.

2. Such a special election may be held:

(a) At any time, including, without limitation, on the date of a primary municipal election or a primary state election, if the governing body of the municipality determines, by a unanimous vote, that an emergency exists; or

(b) On the first Tuesday after the first Monday in June of an odd-numbered year,

except that the governing body shall not determine that an emergency exists if the special election is for the purpose of submitting to the electors a proposal to refund bonds. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud, a gross abuse of discretion or in violation of the provisions of this subsection. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this subsection, "emergency" means any occurrence or combination of occurrences which requires immediate action by the governing body of the municipality to prevent or mitigate a substantial financial loss to the municipality or to enable the governing body to provide an essential service to the residents of the municipality.

3. ~~If~~ *Except as otherwise provided in this subsection, if* payment of a general obligation of the municipality is additionally secured by a pledge of gross or net revenue of a project to be financed by its issue, and the governing body determines, by an affirmative vote of two-thirds of the members elected to the governing body, that the pledged revenue ~~for the project to be financed~~ will at least equal the amount required in each year for the payment of interest and principal, without regard to any option reserved by the municipality for early redemption, the municipality may, after a public hearing, incur this general obligation without an election unless, within 90 days after publication of a resolution of intent to issue the bonds, a petition is presented to the governing body signed by not less than 5 percent of the registered voters of the municipality. Any member elected to the governing body whose authority to vote is limited by charter, statute or otherwise may vote on the determination required to be made by the governing body pursuant to this subsection. The determination by the governing body becomes conclusive on the last day for filing the petition. For the purpose of this subsection, the number of registered voters must be determined as of the close of registration for the last preceding general election. The resolution of intent need not be published in full, but the publication must include the amount of the obligation, ~~and~~ the purpose for which it is to be incurred ~~and a description of the manner~~, *the date by which the registered voters of the municipality may must file a petition with the governing body to reject the issuance of the obligation*, *the location at which the petition must be filed with the governing body and the location at which a person may obtain additional information regarding the contents of and filing requirements for the petition.* Notice of the

1 public hearing must be published at least ~~10 days before the day of the hearing.~~  
2 ~~The publications must be made~~ *three times*, once *each week for three consecutive*  
3 *weeks*, in a newspaper of general circulation in the municipality. *The third*  
4 *publication of the notice required by this subsection must be made at*  
5 *least 10 days before the date of the hearing.* When published, the notice of the  
6 public hearing must be at least as large as 5 inches high by 4 inches wide. ~~A~~  
7 ~~governing body shall not issue or incur any general obligation in the manner~~  
8 ~~authorized by this subsection in an amount greater than \$2,500,000 in a county~~  
9 ~~whose population is less than 100,000, or \$5,000,000 in a county whose~~  
10 ~~population is 100,000 or more.~~

11 4. The board of trustees of a school district may issue general obligation  
12 bonds which are not expected to result in an increase in the existing property tax  
13 levy for the payment of bonds of the school district without holding an election for  
14 each issuance of the bonds if the qualified electors approve a question submitted by  
15 the board of trustees that authorizes issuance of bonds for a period of 10 years after  
16 the date of approval by the voters. If the question is approved, the board of trustees  
17 of the school district may issue the bonds for a period of 10 years after the date of  
18 approval by the voters, after obtaining the approval of the debt management  
19 commission in the county in which the school district is located and, in a county  
20 whose population is 100,000 or more, the approval of the oversight panel for school  
21 facilities established pursuant to NRS 393.092 in that county, if the board of  
22 trustees of the school district finds that the existing tax for debt service will at least  
23 equal the amount required to pay the principal and interest on the outstanding  
24 general obligations of the school district and the general obligations proposed to be  
25 issued. The finding made by the board of trustees is conclusive in the absence of  
26 fraud or gross abuse of discretion. As used in this subsection, "general obligations"  
27 does not include medium-term obligations issued pursuant to NRS 350.087 to  
28 350.095, inclusive.

29 5. At the time of issuance of bonds authorized pursuant to subsection 4, the  
30 board of trustees shall establish a reserve account in its debt service fund for  
31 payment of the outstanding bonds of the school district. The reserve account must  
32 be established and maintained in an amount at least equal to the lesser of:

33 (a) For a school district located in a county whose population is 100,000 or  
34 more, 25 percent; and

35 (b) For a school district located in a county whose population is less than  
36 100,000, 50 percent,

37 ~~or~~ of the amount of principal and interest payments due on all of the outstanding  
38 bonds of the school district in the next fiscal year or 10 percent of the outstanding  
39 principal amount of the outstanding bonds of the school district.

40 6. If the amount in the reserve account falls below the amount required by  
41 subsection 5:

42 (a) The board of trustees shall not issue additional bonds pursuant to subsection  
43 4 until the reserve account is restored to the level required by subsection 5; and

44 (b) The board of trustees shall apply all of the taxes levied by the school  
45 district for payment of bonds of the school district that are not needed for payment  
46 of the principal and interest on bonds of the school district in the current fiscal year  
47 to restore the reserve account to the level required pursuant to subsection 5.

48 7. A question presented to the voters pursuant to subsection 4 may authorize  
49 all or a portion of the revenue generated by the debt rate which is in excess of the  
50 amount required:

51 (a) For debt service in the current fiscal year;

52 (b) For other purposes related to the bonds by the instrument pursuant to which  
53 the bonds were issued; and

1 (c) To maintain the reserve account required pursuant to subsection 5,  
2 ➡ to be transferred to the county school district's fund for capital projects  
3 established pursuant to NRS 387.328 and used to pay the cost of capital projects  
4 which can lawfully be paid from that fund. Any such transfer must not limit the  
5 ability of the school district to issue bonds during the period of voter authorization  
6 if the findings and approvals required by subsection 4 are obtained.

7 8. A municipality may issue special or medium-term obligations without an  
8 election.

9 Sec. 2. ~~{This act becomes effective on July 1, 2015.}~~ (Deleted by  
10 amendment.)
