AN ACT relating to public officers and employees; authorizing payroll offsets to recover **money related to** delinquent balances on state-issued travel charge cards; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law and administrative regulations, the Department of Administration may contract with a charge card provider to provide charge cards to state officers and employees for the purpose of paying travel-related expenses. (NRS 281.160-281.175; State Administrative Manual §§ 230-236) Under this program, it is the officer's or employee's responsibility to pay the balance due on the charge card. This bill allows the State to deduct from the officer's or employee's paycheck any amounts required to pay off a delinquent balance on a charge card that has not been paid by the officer or employee **or to pay an amount deducted from or offset against any rebate issued to the State by the issuer of the charge card related to the delinquent balance.**
