Legislative Counsel's Digest:

1 Existing law sets forth requirements for the registration of a security with the Securities
2 Division of the Office of the Secretary of State before an offer to sell or a sale of such a
3 security is made unless certain exceptions apply. (NRS 90.460–90.510) Existing law further
4 provides for an exemption of certain securities from the registration requirement and sets forth
5 the filing requirements necessary to qualify for the exemption. (NRS 90.520–90.565)
6 Section 3 of this bill provides an additional exemption from the registration requirement
7 for securities for an offer to sell or sale of a security offered by an issuer through an Internet
8 website, commonly known as a “crowdfunding” website, if certain filing and disclosure
9 requirements are met. Section 3 requires that to qualify for this exemption, the issuer of the
10 security and the Internet website conducting the offer of the security must be business entities
11 organized and existing in Nevada. Section 3 also requires that any purchaser of such a security
12 be a resident of, or a business entity organized and existing in, Nevada. The amount of the
13 offer made pursuant to the exemption provided for in section 3 is limited to \$1,000,000 in any
14 consecutive 12 month period. The exemption also limits an investor’s purchase to \$5,000,
15 unless the purchaser is an accredited investor. Section 3 further requires a depository
16 institution to hold all investor funds in an escrow account until the issuer’s crowdfunding goal
17 is met. Section 3 also requires the Administrator of the Division to adopt regulations to carry
18 out the implementation of the new registration exemption.
19 Section 4 of this bill requires such an Internet website to register with the Division before
20 conducting any offer or sale of a security for an issuer pursuant to the exemption provided for

21 in section 3. Section 4 also provides for certain registration exemptions for a crowdfunding
22 Internet website if certain registration requirements are met with the Securities and Exchange
23 Commission.] This bill: (1) prohibits a person from intentionally obstructing certain
24 property or roadways; and (2) prescribes certain civil remedies for persons aggrieved by
25 such conduct.
