AN ACT relating to motor vehicle registration; revising provisions relating to the requirements for certain special license plates; ~~revising the depreciation schedule used for calculating the governmental services tax imposed on certain vehicles upon registration;~~ **prohibiting the Department of Motor Vehicles from issuing certain special license plates for a certain period;** and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a resident of Nevada may obtain from the Department of Motor Vehicles a special license plate ~~for any passenger car or light commercial vehicle~~ inscribed with the words **“Old Timer,” “STREET ROD,” “CLASSIC ROD” or “CLASSIC VEHICLE”** if the vehicle ~~1. (1) has a manufacturer’s rated carrying capacity of 1 ton or less; (2) was manufactured at least 25 years before the application for the special license plate is submitted; and (2) contains only the original parts which were used to manufacture the vehicle or replacement parts that duplicate those original parts;~~ **for which any such special license plate is issued satisfies the requirements for the specific license plate.** (NRS ~~482.381, 482.3812, 482.3814, 482.3816~~) Existing law provides that a vehicle for which ~~any~~ such special license plate has been issued is exempt from standards for exhaust emissions, fuel evaporative emissions and visible emissions of smoke if the owner of the vehicle certifies to the Department that the vehicle was not driven more than 5,000 miles during the immediately preceding year. (NRS 445B.760)

~~Existing law sets forth depreciation schedules for determining the amount of governmental services taxes due each year for used vehicles and establishes a minimum tax of \$16. (NRS 371.060) Section 2 of this bill reduces the amount of governmental services taxes due annually for used vehicles by increasing the amount of depreciation allowed and decreases the minimum tax to \$6.~~

Under existing law, a vehicle with a model year of 1996 or newer is not eligible for the issuance of a special license plate inscribed with the words “STREET ROD,” as a vehicle must have been manufactured not later than 1948 to be eligible for the issuance of that special license plate. (NRS 482.3812) Sections 1, 1.3 and 1.7 of this bill revise the requirements for the issuance of a special license plate inscribed with the words “Old Timer,” “CLASSIC ROD” or “CLASSIC VEHICLE,” respectively, and provide that a
