Legislative Counsel's Digest:

~~The State Budget Act prescribes the procedures for the proposal of the budget for the Executive Department of the State Government. (NRS 252.150-252.246) Professional licensing and certification boards and commissions, which are not funded by money from the State General Fund, are exempted entirely from the requirements of the State Budget Act and therefore do not submit their budgets for review and approval by the Executive Department and the Legislature. (NRS 252.005) The Legislative and Judicial Departments of the State Government, the Public Employees' Retirement System and the Tahoe Regional Planning Agency are required to submit their budgets to the Legislature for approval and to the Chief of the Budget Division of the Department of Administration for informational purposes, but are otherwise exempt from the requirements of the State Budget Act. (NRS 252.210, 252.246) In the same manner, sections 2, 13 and 14 of this bill exempt the State Public Charter School Authority, which is one of the entities that sponsors charter schools in Nevada, from the requirements of the State Budget Act, except for the requirements of submitting its biennial agency budget to the Legislature for approval and to the Chief of the Budget Division for informational purposes.~~

Under existing law, officers and employees of the Executive Department of the State Government are in either the classified or unclassified service, unless otherwise provided by specific statute. (NRS 284.013, 284.140, 284.150) ~~For example, employees of the Office of the Governor are not in the classified or unclassified service. (NRS 223.085)~~ Under existing law, the State Public Charter School Authority appoints a Director, who is in the unclassified service, ~~and~~ **employ who serves a term of 3 years. (NRS 386.511) Section 4 of this bill removes the term of 3 years for the Director and instead provides that the Director serves at the pleasure of the Authority. Existing law also authorizes the Authority to employ** such staff as is necessary to carry out its powers and duties. ~~(NRS 386.500, 386.5125) Sections 2, 4, 5 and 13, who are in the classified service. (NRS 386.5125) Section 5 of this bill remove all officers and~~ **removes the** employees of the Authority from

the classified **service and places them in the** unclassified service ~~and require the Authority to adopt rules and policies regarding the employment rights, salary ranges and benefits of its officers and employees. However, the officers and employees of the Authority remain eligible to participate in the Public Employees' Benefits Program and the Public Employees' Retirement System.~~ **, and further provides those employees serve at the pleasure of the Director.** In addition, **section 5** transfers the authority to employ staff from the seven-member Authority to the Director of the Authority.

~~With certain exceptions, existing law limits the amount of the salary of a person employed by the State to not more than 95 percent of the salary for the Office of Governor during the same period. (NRS 281.122) Sections 2, 4 and 5 exempt the salaries of the Director and employees of the State Public Charter School Authority from this salary limitation and require that the amount of the salaries be within the limits of the biennial agency budget adopted by the Authority.~~

Under existing law, the State Public Charter School Authority is required to sponsor the charter schools in Nevada whose applications it has approved. In addition, if approved by the Department of Education, the board of trustees of a school district and a college or university within the Nevada System of Higher Education are authorized to sponsor charter schools in Nevada. (NRS 386.490-386.649) The Department of Education is authorized under existing law to adopt administrative regulations governing charter schools and is specifically required to adopt regulations governing: (1) the process for submission to a sponsor of an application to form a charter school, renew a charter contract or request an amendment of a written charter or charter contract, and the contents of the application; and (2) the criteria and type of investigation that must be applied by a sponsor in determining whether to approve such an application. (NRS 386.540)

Section 10 of this bill transfers from the Department to the State Public Charter School Authority the duty to adopt regulations governing the process for submission and approval, and the contents of, applications to form, renew a charter contract or request an amendment of a written charter or charter contract for a charter school sponsored by the Authority. With certain exceptions, **section 10** also authorizes the Authority to adopt such regulations as necessary to carry out its powers and duties concerning the charter schools that it sponsors. However, under **section 16** of this bill, the current regulations of the Department governing all charter schools remain in effect and will be enforced by the Authority with respect to charter schools sponsored by the Authority until the Authority amends those regulations. The Authority will continue to be subject to the regulations adopted by the Department on other matters such as reporting requirements by sponsors of charter schools, including the reporting of information for inclusion in the annual report of accountability. (NRS 385.347) Charter schools sponsored by the Authority will also continue to be subject to any regulations adopted by the Department governing procedures for accounting and budgeting and performance and financial audits.
