(BDR 18-160)

ASSEMBLY BILL NO. 53—COMMITTEE
ON GOVERNMENT AFFAIRS

(ON BEHALF OF THE ATTORNEY GENERAL)

PREFILED DECEMBER 20, 2014

Referred to Committee on Government Affairs

SUMMARY—Revises provisions relating to administrative procedure.
(BDR 18-160)FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to administrative procedure; revising provisions governing the standard of proof in administrative hearings; making various other changes to the Nevada Administrative Procedure Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Administrative Procedure Act sets forth the minimum procedural requirements for the adjudication procedure of agencies of the Executive Department of the State Government that are subject to the Act. (NRS 233B.020) ~~[With certain exceptions, existing law allows costs to the prevailing party against any adverse party against whom judgment is rendered in certain civil actions. (NRS 18.020) Sections 3 and 12 of this bill prohibit the award of costs in any proceeding commenced by the filing of a petition for judicial review. (NRS 233B.130)]~~

Section 5 of this bill provides that ~~[an informal disposition of a contested case under the Act may include]~~ the voluntary surrender of a license ~~[and, with respect to]~~ **in** a contested case ~~[involving a license]~~ will constitute disciplinary action against the licensee. **Section 5** also requires a party who requests the transcription of oral proceedings to pay for the costs of the transcription.

Under the Act, applications for the grant, denial or renewal of a license are a contested case for purposes of the application of the procedural requirements of the Act only if notice and opportunity for hearing are required to be provided to the applicant before the grant, denial or renewal of the license. (NRS 233B.127) **Section 8** of this bill clarifies that, to be a contested case, the provision of notice and opportunity for hearing must be required by statute or regulation.

Section 9 of this bill specifies the manner in which a petition for judicial review is required to be served. **Section 10** of this bill extends from 30 days to 45 days the period after the service of a petition for judicial review in which certain records are required to be transmitted to the reviewing court and also imposes a duty on the party who filed the petition to transmit to the reviewing court an original or certified copy of the transcript of the evidence. **Section 13** of this bill makes it discretionary instead of mandatory for a regulatory body that initiates disciplinary proceedings against a licensee to require the licensee to submit his or her fingerprints.

The Nevada Supreme Court recently clarified that the standard of proof that is required to be used by administrative agencies in administrative hearings is a preponderance of the evidence. (*Nassiri v. Chiropractic Physicians' Board of Nevada*, 130 Nev. Adv. Op. No. 27, 327 P.3d 487 (2014)) ~~Sections 11, 2, 5, 7, 11 and 14-27~~ of this bill revise the standard of proof for administrative hearings in existing law to conform to the preponderance-of-the-evidence standard in the *Nassiri* opinion. Section 11 of this bill codifies into statute the definition of "substantial evidence" in case law for purposes of the standard for judicial review. (See, e.g., State Empl't Sec. Dept. v. Hilton Hotels Corp., 102 Nev. 606 (1986))

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 233B of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. *"Preponderance of the evidence" means evidence that enables a trier of fact to determine that the existence of the contested fact is more probable than the nonexistence of the contested fact.*

Sec. 3. ~~Costs must not be allowed in any proceeding commenced by the filing of a petition for judicial review pursuant to NRS 233B.130.~~ (Deleted by amendment.)

Sec. 4. NRS 233B.030 is hereby amended to read as follows:
233B.030 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 233B.031 to 233B.0385, inclusive, *and section 2 of this act*, have the meanings ascribed to them in those sections.

Sec. 5. NRS 233B.121 is hereby amended to read as follows:
233B.121 1. In a contested case, all parties must be afforded an opportunity for hearing after reasonable notice.

2. The notice must include:

(a) A statement of the time, place and nature of the hearing.
(b) A statement of the legal authority and jurisdiction under which the hearing is to be held.

(c) A reference to the particular sections of the statutes and regulations involved.

(d) A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter, upon application, a more definite and detailed statement must be furnished.

3. Any party is entitled to be represented by counsel.

4. Opportunity must be afforded all parties to respond and present evidence and argument on all issues involved. An agency may by regulation authorize the payment of fees and reimbursement for mileage to witnesses in the same amounts and under the same conditions as for witnesses in the courts of this state.

5. Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order or default. ~~and may include, without limitation, the voluntary surrender of a license. An agency shall consider an informal disposition of a contested case involving a license to constitute disciplinary action against the licensee.~~ If an informal disposition is made, the parties may waive the requirement for findings of fact and conclusions of law.

6. The voluntary surrender of a license in a contested case shall be deemed to constitute disciplinary action against the licensee.

7. The record in a contested case must include:

- (a) All pleadings, motions and intermediate rulings.
- (b) Evidence received or considered.
- (c) A statement of matters officially noticed.
- (d) Questions and offers of proof and objections, and rulings thereon.
- (e) Proposed findings and exceptions.
- (f) Any decision, opinion or report by the hearing officer presiding at the hearing.

~~77~~ 8. Oral proceedings, or any part thereof, must be transcribed on request of any party. *The party making the request shall pay all the costs for the transcription.*

~~8~~ 9. Findings of fact must be based exclusively on ~~substantial~~ *a preponderance of the* evidence and on matters officially noticed.

Sec. 6. NRS 233B.123 is hereby amended to read as follows:

233B.123 In contested cases:

1. Irrelevant, immaterial or unduly repetitious evidence must be excluded. Evidence may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs. Agencies shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and must be noted in the record. Subject to the requirements of this subsection, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form.

2. Documentary evidence may be received in the form of authenticated copies or excerpts. ~~if the original is not readily available.~~ Upon request, parties must be given an opportunity to compare the copy with the original.

3. Every witness shall declare, by oath or affirmation, that he or she will testify truthfully.

4. Each party may call and examine witnesses, introduce exhibits, cross-examine opposing witnesses on any matter relevant to the issues even though the matter was not covered in the direct examination, impeach any witness, regardless of which party first called the witness to testify, and rebut the evidence against him or her.

5. Notice may be taken of judicially cognizable facts and of generally recognized technical or scientific facts within the specialized knowledge of the agency. Parties must be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they must be afforded an opportunity to contest the material so noticed. The experience, technical competence and specialized knowledge of the agency may be utilized in the evaluation of the evidence.

Sec. 7. NRS 233B.125 is hereby amended to read as follows:

233B.125 A decision or order adverse to a party in a contested case must be in writing or stated in the record. Except as provided in subsection 5 of NRS 233B.121, a final decision must include findings of fact and conclusions of law, separately stated. Findings of fact and decisions must be based upon ~~substantial~~ *a preponderance of the* evidence. Findings of fact, if set forth in statutory language, must be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency regulations, a party submitted proposed findings of fact ~~before the commencement of the hearing,~~ the decision must include a ruling upon each proposed finding. Parties must be notified either personally or by certified mail of any decision or order. Upon request a copy of the decision or order must be delivered or mailed forthwith to each party and to the party's attorney of record.

1 **Sec. 8.** NRS 233B.127 is hereby amended to read as follows:

2 233B.127 1. ~~When~~ *The provisions of NRS 233B.121 to 233B.150,*
3 *inclusive, and section 3 of this act do not apply to* the grant, denial or renewal of a
4 license ~~is required to be preceded by~~ *unless* notice and opportunity for hearing ~~;~~
5 ~~the provisions of this chapter concerning contested cases apply.~~ *are required by*
6 *law to be provided to the applicant before the grant, denial or renewal of the*
7 *license.*

8 2. When a licensee has made timely and sufficient application for the renewal
9 of a license or for a new license with reference to any activity of a continuing
10 nature, the existing license does not expire until the application has been finally
11 determined by the agency and, in case the application is denied or the terms of the
12 new license limited, until the last day for seeking review of the agency order or a
13 later date fixed by order of the reviewing court.

14 3. No revocation, suspension, annulment or withdrawal of any license is
15 lawful unless, before the institution of agency proceedings, the agency gave notice
16 by certified mail to the licensee of facts or conduct which warrant the intended
17 action, and the licensee was given an opportunity to show compliance with all
18 lawful requirements for the retention of the license. If the agency finds that public
19 health, safety or welfare imperatively require emergency action, and incorporates a
20 finding to that effect in its order, summary suspension of a license may be ordered
21 pending proceedings for revocation or other action. An agency's order of summary
22 suspension may be issued by the agency or by the Chair of the governing body of
23 the agency. If the order of summary suspension is issued by the Chair of the
24 governing body of the agency, the Chair shall not participate in any further
25 proceedings of the agency relating to that order. Proceedings relating to the order of
26 summary suspension must be instituted and determined within 45 days after the
27 date of the order unless the agency and the licensee mutually agree in writing to a
28 longer period.

29 **Sec. 9.** NRS 233B.130 is hereby amended to read as follows:

30 233B.130 1. Any party who is:

31 (a) Identified as a party of record by an agency in an administrative
32 proceeding; and

33 (b) Aggrieved by a final decision in a contested case,
34 ➤ is entitled to judicial review of the decision. Where appeal is provided within an
35 agency, only the decision at the highest level is reviewable unless a decision made
36 at a lower level in the agency is made final by statute. Any preliminary, procedural
37 or intermediate act or ruling by an agency in a contested case is reviewable if
38 review of the final decision of the agency would not provide an adequate remedy.

39 2. Petitions for judicial review must:

40 (a) Name as respondents the agency and all parties of record to the
41 administrative proceeding;

42 (b) Be instituted by filing a petition in the district court in and for Carson City,
43 in and for the county in which the aggrieved party resides or in and for the county
44 where the agency proceeding occurred; ~~and~~

45 (c) *Be served upon:*

46 *(1) The Attorney General, or a person designated by the Attorney*
47 *General, at the Office of the Attorney General in Carson City; and*

48 *(2) The person serving in the office of administrative head of the named*
49 *agency; and*

50 (d) Be filed within 30 days after service of the final decision of the agency.

51 ➤ Cross-petitions for judicial review must be filed within 10 days after service of a
52 petition for judicial review.

3. The agency and any party desiring to participate in the judicial review must file a statement of intent to participate in the petition for judicial review and serve the statement upon the agency and every party within 20 days after service of the petition.

4. A petition for rehearing or reconsideration must be filed within 15 days after the date of service of the final decision. An order granting or denying the petition must be served on all parties at least 5 days before the expiration of the time for filing the petition for judicial review. If the petition is granted, the subsequent order shall be deemed the final order for the purpose of judicial review.

5. The petition for judicial review and any cross-petitions for judicial review must be served upon the agency and every party within 45 days after the filing of the petition, unless, upon a showing of good cause, the district court extends the time for such service. If the proceeding involves a petition for judicial review or cross-petition for judicial review of a final decision of the State Contractors' Board, the district court may, on its own motion or the motion of a party, dismiss from the proceeding any agency or person who:

(a) Is named as a party in the petition for judicial review or cross-petition for judicial review; and

(b) Was not a party to the administrative proceeding for which the petition for judicial review or cross-petition for judicial review was filed.

6. The provisions of this chapter are the exclusive means of judicial review of, or judicial action concerning, a final decision in a contested case involving an agency to which this chapter applies.

Sec. 10. NRS 233B.131 is hereby amended to read as follows:

233B.131 1. Within ~~30~~ 45 days after the service of the petition for judicial review or such time as is allowed by the court ~~+, the~~ :

(a) The party who filed the petition for judicial review shall transmit to the reviewing court an original or certified copy of the transcript of the evidence resulting in the final decision of the agency.

(b) The agency that rendered the decision which is the subject of the petition shall transmit to the reviewing court the original or a certified copy of the ~~entire~~ remainder of the record of the proceeding under review. ~~+, including a transcript of the evidence resulting in the final decision of the agency.~~

➡ The record may be shortened by stipulation of the parties to the proceedings. A party unreasonably refusing to stipulate to limit the record, as determined by the court, may be assessed by the court any additional costs. The court may require or permit subsequent corrections or additions to the record.

2. If, before submission to the court, an application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence and any rebuttal evidence be taken before the agency upon such conditions as the court determines.

3. After receipt of any additional evidence, the agency:

(a) May modify its findings and decision; and

(b) Shall file the evidence and any modifications, new findings or decisions with the reviewing court.

Sec. 11. NRS 233B.135 is hereby amended to read as follows:

233B.135 1. Judicial review of a final decision of an agency must be:

(a) Conducted by the court without a jury; and

(b) Confined to the record.

1 ↪ In cases concerning alleged irregularities in procedure before an agency that are
2 not shown in the record, the court may receive evidence concerning the
3 irregularities.

4 2. The final decision of the agency shall be deemed reasonable and lawful
5 until reversed or set aside in whole or in part by the court. The burden of proof is on
6 the party attacking or resisting the decision to show that the final decision is invalid
7 pursuant to subsection 3.

8 3. The court shall not substitute its judgment for that of the agency as to the
9 weight of evidence on a question of fact. The court may remand or affirm the final
10 decision or set it aside in whole or in part if substantial rights of the petitioner have
11 been prejudiced because the final decision of the agency is:

- 12 (a) In violation of constitutional or statutory provisions;
13 (b) In excess of the statutory authority of the agency;
14 (c) Made upon unlawful procedure;
15 (d) Affected by other error of law;
16 (e) Clearly erroneous in view of the reliable ~~and~~ probative and substantial
17 evidence on the whole record; or
18 (f) Arbitrary or capricious or characterized by abuse of discretion.

19 4. As used in this section, "substantial evidence" means evidence which a
20 reasonable mind might accept as adequate to support a conclusion.

21 Sec. 12. ~~NRS 18.020 is hereby amended to read as follows:~~

22 ~~18.020 [Costs] Except as otherwise provided in section 3 of this act, costs~~
23 ~~must be allowed of course to the prevailing party against any adverse party against~~
24 ~~whom judgment is rendered, in the following cases:~~

- 25 ~~1. In an action for the recovery of real property or a possessory right thereto.~~
26 ~~2. In an action to recover the possession of personal property, where the value~~
27 ~~of the property amounts to more than \$2,500. The value must be determined by the~~
28 ~~jury, court or master by whom the action is tried.~~
29 ~~3. In an action for the recovery of money or damages, where the plaintiff~~
30 ~~seeks to recover more than \$2,500.~~
31 ~~4. In a special proceeding, except a special proceeding conducted pursuant to~~
32 ~~NRS 306.040.~~

33 ~~5. In an action which involves the title or boundaries of real estate, or the~~
34 ~~legality of any tax, impost, assessment, toll or municipal fine, including the costs~~
35 ~~accrued in the action if originally commenced in a Justice Court.] (Deleted by~~
36 amendment.)

37 Sec. 13. NRS 622.360 is hereby amended to read as follows:

38 622.360 1. If a regulatory body initiates disciplinary proceedings against a
39 licensee pursuant to this title, the regulatory body may require the licensee ~~{shall,~~
40 ~~within 30 days after the licensee receives notification of the initiation of the~~
41 ~~disciplinary proceedings,}~~ to submit to the regulatory body a complete set of his or
42 her fingerprints and written permission authorizing the regulatory body to forward
43 the fingerprints to the Central Repository for Nevada Records of Criminal History
44 for submission to the Federal Bureau of Investigation for its report.

45 2. The willful failure of the licensee to comply with the requirements of
46 subsection 1 constitutes an additional ground for the regulatory body to take
47 disciplinary action against the licensee, including, without limitation, suspending or
48 revoking the license of the licensee.

49 3. A regulatory body has an additional ground for taking disciplinary action
50 against the licensee if:

- 51 (a) The report from the Federal Bureau of Investigation indicates that the
52 licensee has been convicted of an unlawful act that is a ground for taking
53 disciplinary action against the licensee pursuant to this title; and

(b) The regulatory body has not taken any prior disciplinary action against the licensee based on that unlawful act.

4. To the extent possible, the provisions of this section are intended to supplement other statutory provisions governing disciplinary proceedings. If there is a conflict between such other provisions and the provisions of this section, the other provisions control to the extent that the other provisions provide more specific requirements regarding the discipline of a licensee.

Sec. 14. NRS 622A.370 is hereby amended to read as follows:

622A.370 1. The prosecutor has the burden of proof in any hearing pursuant to this chapter. The standard of proof in such a hearing is ~~substantial~~ *a preponderance of the evidence*.

2. Except as otherwise provided in this chapter, the regulatory body or hearing panel or officer is not bound by strict rules of procedure or rules of evidence when conducting the hearing, except that evidence must be taken and considered in the hearing pursuant to NRS 233B.123.

3. In any hearing pursuant to this chapter, the acts which constitute grounds for initiating disciplinary action against a licensee and the administrative penalties that may be imposed against a licensee are set forth in the occupational licensing chapter governing the licensee.

4. If requested by any party, the hearing or any portion of the hearing must be transcribed. The party making the request shall pay all costs for the transcription.

5. As used in this section, "preponderance of the evidence" has the meaning ascribed to it in section 2 of this act.

Sec. 15. Chapter 631 of NRS is hereby amended by adding thereto a new section to read as follows:

"Preponderance of the evidence" has the meaning ascribed to it in section 2 of this act.

Sec. 16. NRS 631.005 is hereby amended to read as follows:

631.005 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 631.015 to 631.105, inclusive, *and section 15 of this act*, have the meanings ascribed to them in those sections.

5. A person to whom a specialist's license is issued pursuant to this section shall limit his or her practice to the specialty.

6. The Board may revoke a specialist's license at any time ~~upon submission of substantial evidence to~~ if the Board *finds, by a preponderance of the evidence,* that the holder of the license violated any provision of this chapter or the regulations of the Board.

Sec. 18. NRS 631.271 is hereby amended to read as follows:
