ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide a citizens' commission to establish the salaries of certain elected officers.

**Legislative Counsel's Digest:**

Existing law establishes the salaries of the various constitutional officers of this State, members of the Senate and Assembly, justices of the Supreme Court, judges of the Court of Appeals and district judges. (NRS 2.050, 2A.080, 3.030, 218A.630, 218A.635, 223.050, 224.050, 225.050, 226.090, 227.060, 228.070) Existing law also creates an advisory Commission to Review the Compensation of Constitutional Officers, Legislators, Supreme Court Justices, Judges of the Court of Appeals, District Judges and Elected County Officers which is empowered to review and make recommendations to the Legislature concerning the salary of the various offices within its purview. (NRS 281.157-281.1575) This resolution proposes to revise the Nevada Constitution to reserve to a Citizens' Commission on Salaries for Certain Elected Officers the power to establish salaries for various offices within this State, including members of the Senate and Assembly, the Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Controller, Attorney General, justices of the Supreme Court, judges of the Court of Appeals and judges of the District Court. This resolution also authorizes the Commission to **(1) fix the compensation of the members of the Legislature for each calendar day of service during any regular or special session of the Legislature; and (2) provide compensation to members of the Legislature for the performance of duties as a member of the Legislature outside of a regular or special session.**

WHEREAS, The Nevada Legislature established the Commission to Review the Compensation of Constitutional Officers, Legislators, Supreme Court Justices, Judges of the Court of Appeals, District Judges and Elected County Officers in 1993; and

WHEREAS, While the Commission is empowered by law to review compensation, hold public hearings and make recommendations for revisions to compensation for the various offices within its purview, it serves a purely advisory

function and its recommendations have no effect unless enacted by the Legislature; and

WHEREAS, A constitutional amendment is required to fully empower such a commission to engage in a comprehensive review of the compensation given to various officers within this State and put into effect its findings; now, therefore, be it
