FISCAL NOTE: Effect on Local Government: No.  
Effect on the State: Yes.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to education; ~~revising provisions relating to tuition charges for attending a campus of the Nevada System of Higher Education assessed against students whose families do not reside in this State; requiring a student who receives a Governor Guinn Millennium Scholarship to perform community service;~~ creating the Office of the Western Regional Higher Education Compact within the Office of the Governor; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

~~Existing law authorizes the Board of Regents of the University of Nevada to assess a tuition charge against certain students who are not residents of the State of Nevada in addition to registration fees or other fees assessed against students who are residents of the State of Nevada. Under existing law, a student at certain schools in the Nevada System of Higher Education whose family resides outside of this State may not be assessed a tuition charge if the student has been a resident of this State for at least 12 months before his or her matriculation. (NRS 296.540) Section 1 of this bill expands this exemption from tuition charges by allowing such a student to attend such a school without being assessed a tuition charge if the student has been a resident of this State for at least 12 months before the last day of regular registration for the semester in which the student proposes to attend school.~~

~~Existing law establishes the Governor Guinn Millennium Scholarship Program and prescribes eligibility requirements for the continued receipt of such a scholarship. (NRS 296.926, 296.934) Existing law also encourages a student who receives such a scholarship to provide at least 20 hours of community service each year that the student receives a scholarship. (NRS 296.934) Section 2 of this bill requires a student who receives such a scholarship to provide community service each year the student receives a scholarship. Although section 2 does not require a specific number of hours, it continues to encourage the student to provide at least 20 hours of community service each such year.~~

Existing law authorizes the Governor to employ certain persons to provide an appropriate staff for the Office of the Governor, including, without limitation, the Office of Economic Development, the Office of Science, Innovation and Technology and the Governor's mansion. (NRS 223.085) **Section 4** of this bill additionally authorizes the Governor to employ certain persons to provide an appropriate staff for the Office of the Western Regional Higher Education Compact.

Existing law directs the Governor to execute a compact with certain other states for the purpose of forming a Western Interstate Commission for Higher Education. (NRS 397.010) The compact requires the Western Interstate Commission for Higher Education to enter into

certain contractual agreements with certain institutions offering graduate or professional education in other member states in order to increase the opportunities for residents of member states to obtain graduate or professional degrees. (NRS 397.020) **Sections 3 and 5** of this bill create the Office of the Western Regional Higher Education Compact within the Office of the Governor.
