Legislative Counsel's Digest:

This bill creates the Silver State Opportunity Grant Program. Under the Program, the Board of Regents of the University of Nevada is required to award grants to eligible students who are enrolled in community colleges and state colleges that are part of the Nevada System of Higher Education to pay for a portion of the cost of education at such institutions. **Section 3** of this bill sets forth the criteria for eligibility for such a grant. **Section 4** of this bill requires the Board of Regents or a designee of the Board to: (1) calculate the maximum amount of the grant which a student is eligible to receive; (2) determine the actual amount each eligible student will receive; and (3) make grants to all eligible students. **Section 4** provides that any money awarded under the Program must be used only to pay the cost of education of a student and not for any other purpose. **Section 5** of this bill requires the Board of Regents to adopt regulations prescribing the procedures and standards for determining eligibility, the methodology for calculating the financial need of a student and the process by which a student may meet certain requirements for eligibility for a grant. **Section 6** of this bill authorizes the Board of Regents to accept gifts, grants, bequests and donations to fund grants awarded under the Program.

Section 7 of this bill requires the Board of Regents to submit a biennial report on the Program to the Legislature. The report must include information regarding: (1) the number of grants awarded under the Program; (2) the average amount of each grant; and (3) the percentage of students awarded grants who remained in school and who eventually earned a degree or certificate.

~~Finally, section 9 of this bill includes appropriations from the State General Fund to the Board of Regents for the award of grants in the amount of \$5 million per year for Fiscal Years 2015-2016 and 2016-2017.~~
