Legislative Counsel's Digest:

Existing law establishes the Nevada Interscholastic Activities Association for the purpose of controlling, supervising and regulating interscholastic athletic events in public schools and further authorizes the Association to adopt rules and regulations for that purpose. (NRS 386.420-386.470) **Section 5** of this bill authorizes a pupil or school that is aggrieved by a decision or order of the Executive Director of the Association to appeal the decision or order to the Director of the Department of Administration. **Section 5** requires the Director, upon receiving an appeal, to appoint an independent hearing officer to review and conduct a hearing on the appeal. **Section 5** establishes certain procedural requirements regarding the appointment of the hearing officer and the hearing on the appeal.

Section 6 of this bill ~~authorizes a pupil to transfer once from one high school to another high school without losing his or her eligibility to participate or practice in a sanctioned sport at the high school to which the pupil transfers;~~ ***provides that any rules and regulations adopted by the Association governing the eligibility of a pupil who transfers from one high school to another high school to participate or practice in a sanctioned sport must***

apply equally to public schools and private schools that are members of the Association.
Section ~~16.400~~ 6.5 of this bill provides that a pupil who enrolls in the 9th grade at: (1) a public school is immediately eligible to participate and practice in a sanctioned sport at the school if the pupil resides within the zone of attendance of the school at the time of enrollment, regardless of whether the pupil resided in a different zone of attendance or attended a school other than a public school before enrollment in the 9th grade; and (2) a private school is immediately eligible to participate and practice in a sanctioned sport at the school, regardless of whether the pupil attended a school other than a private school before enrollment in the 9th grade.

~~Existing law requires the Commission on Professional Standards in Education to adopt regulations relating to the endorsement of a license to serve as a school nurse. (NRS 391.019, 391.021, 391.207) Section 9 of this bill prohibits the Commission from conditioning the endorsement of a license for the purpose of employment as a school nurse on the completion of any course or examination that the nurse is not otherwise required to complete for the purpose of obtaining a license to practice as a nurse, including any other course or examination relating to reading, writing or mathematics.~~
