AN ACT relating to unclaimed property; exempting certain property due or owing from a business association to another business association from provisions governing the disposition of unclaimed property under certain circumstances; exempting public infrastructure proceeds from provisions governing the disposition of unclaimed property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the powers, duties and liabilities of the State and other persons concerning certain property which is abandoned and unclaimed by its owner. (Chapter 120A of NRS) Under existing law, property that is unclaimed by the apparent owner of the property for a certain period is presumed to be abandoned. (NRS 120A.500, 120A.510, 120A.520) A holder of property that is presumed to be abandoned must make a report concerning the property to the State Treasurer, acting as the Administrator of Unclaimed Property, and pay or deliver the property to the Administrator. (NRS 120A.560, 120A.570) The Administrator must deposit any money received as abandoned property and the proceeds of any sale of abandoned property in the Abandoned Property Trust Account. (NRS 120A.620) A person who claims property paid or delivered to the Administrator may file a claim for the property, and, if the Administrator approves the claim, the Administrator must deliver the property to the claimant or, if the property is money or the net proceeds of a sale of abandoned property, pay the claim from the Account. (NRS 120A.620, 120A.640) At the end of each fiscal year, the first \$7.6 million of the balance remaining in the Account is transferred to the Millennium Scholarship Trust Fund, and the remaining balance is transferred to the State General Fund, subject to any valid claims. (NRS 120A.620)

Section 1 of this bill provides that certain amounts due or owing from a holder that is a business association to another business association must not be presumed abandoned if the holder and the other business association have an ongoing business relationship. Because these amounts must not be presumed abandoned, the provisions of existing law governing unclaimed property would not apply to those amounts. Under section 2 of this bill, the provisions of section 1 apply to the amounts due or owing from a business association to another business association that, on or after July 1, 2015, are in the possession, custody or control of a business association.

~~This~~ Section 1.5 of this bill provides that certain amounts paid to this State or a local government as a deposit or fee to provide security for, or to fund the construction of, public infrastructure are exempt from the provisions of existing law governing unclaimed property.

Under ~~section 2, of this bill,~~ this exemption applies only to such deposits or fees that, on or after July 1, 2015, are in the possession, control or custody of this State or a local government.
