AN ACT relating to apprentices; requiring the State Apprenticeship Council to approve or deny certain written requests submitted by a public body concerning the required use of an apprentice on a public work; authorizing the Council to suspend the right of a contractor on a public work to participate in a program of apprenticeship under certain circumstances; requiring a public body that awards a contract for a public work to ensure an apprentice performs a certain percentage of the total hours of labor on the public work; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Apprenticeship Council and requires the Council to establish standards for programs of apprenticeship. (NRS 610.030, 610.090, 610.095) The purposes of such programs include, without limitation: (1) the creation of an opportunity for persons to obtain training that will equip those persons for profitable employment and citizenship; and (2) the establishment of an organized program for the voluntary training of those persons by providing facilities for training and guidance in the arts and crafts of industry and trade. (NRS 610.020) Existing law sets forth the requirements for a public body which sponsors or finances a public work to award a contract to a contractor for the construction of the public work. (Chapter 338 of NRS) Such requirements include, without limitation: (1) the payment of the prevailing wage in the county in which the public work is located; and (2) the establishment of certain fair employment practices for contractors in connection with the performance of work under the contract awarded by the public body. **Section 4** of this bill requires a public body that awards a contract for a public work for which the estimated cost exceeds \$1,000,000 to ensure that an apprentice performs not less than ~~15~~ **10** percent of the total hours of labor on the public work. **Section 4** also imposes that requirement upon the Department of Transportation if the estimated cost of the contract exceeds \$2,000,000. In addition, **section 4** authorizes a public body to submit, pursuant to **section 1** of this bill, a

request to the Council for a waiver or modification of the requirement to use an apprentice on a public work for the minimum percentage of hours. **Section 3** of this bill authorizes the Council to suspend, for not more than 1 year, the right of any contractor on a public work to participate in a program of apprenticeship if the Council determines that the contractor willfully violated the provisions of the contract concerning the use of an apprentice on the public work for the minimum percentage of hours. **Section 5** of this bill expands the definition of "offense" set forth in existing law to include the failure by a contractor to ensure that an apprentice is used on a public work for the required number of hours, thereby subjecting the contractor to a possible civil action to recover damages resulting from the commission of the offense and the temporary disqualification of the contractor from an award of a contract for a public work. (NRS 338.010, 338.016, 338.017)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 610 of NRS is hereby amended by adding thereto a new section to read as follows:

2. May suspend for not more than 1 year the right of any contractor on a public work to participate in a program pursuant to the provisions of this chapter if the State Apprenticeship Council determines that, during any period in which the labor of an apprentice is used on a public work, as required by section 4 of this act, a contractor willfully violated the terms of the contract for the public work, including, without limitation, any ratios of apprentices to journeymen, supervision, wages, and methods of work set forth in the contract.
