EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to apprentices; requiring the State Apprenticeship Council to approve or deny certain written requests submitted by a public body concerning the required use of an apprentice on a public work; authorizing the Council to suspend the right of a contractor on a public work to participate in a program of apprenticeship under certain circumstances; requiring a public body that awards a contract for a public work to ensure an apprentice performs a certain percentage of the total hours of labor on the public work ~~11~~ in certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law creates the State Apprenticeship Council and requires the Council to  
2 establish standards for programs of apprenticeship. (NRS 610.030, 610.090, 610.095) The  
3 purposes of such programs include, without limitation: (1) the creation of an opportunity for  
4 persons to obtain training that will equip those persons for profitable employment and  
5 citizenship; and (2) the establishment of an organized program for the voluntary training of  
6 those persons by providing facilities for training and guidance in the arts and crafts of industry  
7 and trade. (NRS 610.020) Existing law sets forth the requirements for a public body which  
8 sponsors or finances a public work to award a contract to a contractor for the construction of  
9 the public work. (Chapter 338 of NRS) Such requirements include, without limitation: (1) the  
10 payment of the prevailing wage in the county in which the public work is located; and (2) the  
11 establishment of certain fair employment practices for contractors in connection with the  
12 performance of work under the contract awarded by the public body. **Section 4** of this bill  
13 requires a public body that awards a contract for a public work for which the estimated cost  
14 exceeds \$1,000,000 to ensure that an apprentice performs not less than ~~10 percent~~ a certain  
15 percentage of the total hours of labor on the public work ~~11~~, starting at 3 percent for a  
16 contract awarded in calendar year 2016 and rising to 15 percent for a contract awarded  
17 in or after calendar year 2020. **Section 4** also imposes that requirement upon the

18 Department of Transportation if the estimated cost of the contract exceeds \$2,000,000. In  
19 addition, **section 4 : (1)** authorizes a public body to submit, pursuant to **section 1** of this bill, a  
20 request to the Council for a waiver or modification of the requirement to use an apprentice on  
21 a public work for the minimum percentage of hours; **4 : (2) exempts from the requirement a**  
22 **contractor who cannot, as a result of membership in or affiliation with, or the lack**  
23 **thereof, a labor organization, retain the apprentices necessary to provide the required**  
24 **hours of labor; and (3) authorizes a contractor to submit a request to the Labor**  
25 **Commissioner to waive the requirement if a change in circumstances makes the**  
26 **completion of the public work subject to the requirement impracticable.** **Section 3** of this  
27 bill authorizes the Council to suspend, for not more than 1 year, the right of any contractor on  
28 a public work to participate in a program of apprenticeship if the Council determines that the  
29 contractor willfully violated the provisions of the contract concerning the use of an apprentice  
30 on the public work for the minimum percentage of hours. **Section 5** of this bill expands the  
31 definition of “offense” set forth in existing law to include the failure by a contractor to ensure  
32 that an apprentice is used on a public work for the required number of hours, thereby  
33 subjecting the contractor to a possible civil action to recover damages resulting from the  
34 commission of the offense and the temporary disqualification of the contractor from an award  
35 of a contract for a public work. (NRS 338.010, 338.016, 338.017)
