AN ACT relating to public safety; requiring the Department of Motor Vehicles to establish a registry of emergency contact information for certain persons who possess a driver's license, identification card or driver authorization card; requiring certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in a motor vehicle accident; authorizing certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in an accident or emergency situation other than a motor vehicle accident; providing immunity from liability to the Department and others with access to the registry for certain acts and omissions related to the registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 8 of this bill requires the Department of Motor Vehicles to establish a registry on its Internet website to be known as the Next-of-Kin Registry. The Registry must include, in a secure portion of the website, a registry record unique to each registrant. Information in the Registry will be accessible to law enforcement, a coroner or medical examiner and the registrant, and parent or guardian of the registrant if the registrant is a minor. **Section 9** of this bill provides the requirements for a registrant to establish a registry record in the Next-of-Kin Registry and allows a registrant to submit emergency contact information for not more than two emergency contact persons. **Section 10** of this bill requires law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after a serious motor vehicle accident. **Section 10** also allows a coroner or medical examiner to access the Registry to identify the next-of-kin of a decedent. **Section 10.5 of this bill authorizes law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after an accident or emergency situation other**

than a motor vehicle accident. Sections 1, 2, 8 and 11 of this bill limit access to the information in the Registry to the registrant, law enforcement personnel, a coroner or medical examiner or his or her respective personnel and the Department, with certain exceptions, including other persons authorized by a court order. Sections 11 and 21 of this bill further provide that the names, telephone numbers and addresses of emergency contact persons in the Registry are confidential, not public records for the purposes of the Open Meeting Law and not discoverable except upon a subpoena issued in a criminal matter. (See chapter 239 of NRS) Section 12 of this bill limits the civil and criminal liability of those authorized to establish, maintain and access the Registry. Section 13 of this bill authorizes the Department to adopt regulations necessary to implement and maintain the Next-of-Kin Registry. Sections 14-20 of this bill require the Department, at the time of the application for or the renewal of a driver's license, identification card or driver authorization card, to provide the applicant a form to register with the Next-of-Kin Registry.

the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484C.210 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.
