EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to gaming; revising provisions related to the preparation of a credit report in connection with a person who is seeking certain employment with a gaming licensee; revising provisions governing the disclosure of certain information by a reporting agency; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing state and federal law prohibits a credit reporting agency from disclosing in the credit report of a person information related to a bankruptcy filing that is more than 10 years old and certain other negative credit information that is more than 7 years old. (NRS 598C.150; 15 U.S.C. § 1681c). However, existing federal law provides certain exceptions to the preceding federal prohibition, including an exception for a credit report prepared in connection with the employment of an individual whose salary will be greater than \$75,000. (15 U.S.C. § 1681c(b)(3))

Sections 1 and 2 of this bill create a similar exception in state law for a credit report prepared for a gaming licensee in connection with a person who is seeking employment with the licensee or employment in a position connected directly with the licensee's operations. Section 2 also removes the prohibition against disclosing a record of conviction of a crime which is more than 7 years old, meaning that there is no limitation of time for which such a record may be disclosed.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
