AN ACT relating to the protection of children; revising provisions relating to the licensure of emergency shelters for children by the Division of Public and Behavioral Health of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain facilities, including institutions which provide emergency shelter to children who have been placed in protective custody, are required to be licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services. (NRS 432A.0245, 432A.131) **Section 2** of this bill defines the term “emergency shelter,” and **sections 5 and 6** of this bill exclude emergency shelters from the definitions of a “child care facility” and a “child care institution.” **Section 9** of this bill requires emergency shelters to be licensed by the Division, and **section 8** of this bill requires the State Board of Health to adopt licensing standards for emergency shelters that account for the differences between emergency shelters and child care facilities. **Sections 1, 3, 4, 7 and 10-36** of this bill revise various provisions relating to the oversight of child care facilities to also apply to emergency shelters.
