EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to gaming; requiring the Nevada Gaming Commission to adopt regulations relating to the development of certain technology in gaming; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law establishes provisions for the licensing and control of gaming in this State. (Chapter 463 of NRS) Existing law also requires the Nevada Gaming Commission to adopt, amend or repeal regulations for purposes of carrying out those provisions. (NRS 463.150) This bill requires the Commission to adopt regulations which encourage manufacturers to develop and deploy gaming devices , associated equipment and various gaming support systems that incorporate innovative, alternative and advanced technology. This bill also provides that such regulations may include technical standards for the manufacture of gaming devices , associated equipment and various gaming support systems that incorporate certain features.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

*1. The Legislature hereby declares that:*

*(a) The State of Nevada leads the nation as the home state for companies that design, develop and bring to market the technology which supports the global gaming industry, including gaming devices, associated equipment and various gaming support systems.*

*(b) The continued growth and success of the gaming industry in the State of Nevada depends on the fostering of a business and regulatory environment that*

1 promotes continued advances in the use of technology in gaming, which improves  
2 the entertainment experience, encourages innovation and supports expansion of  
3 the domestic technology sector of the economy of this State.

4 2. The Commission shall, with the advice and assistance of the Board, adopt  
5 regulations which encourage manufacturers to develop and deploy gaming  
6 devices , associated equipment and various gaming support systems that  
7 incorporate innovative, alternative and advanced technology.

8 3. The regulations adopted pursuant to subsection 2 may include, without  
9 limitation, technical standards for the manufacture of gaming devices ,  
10 associated equipment and gaming support systems that:

11 (a) Define and differentiate between the requirements for and the outcomes  
12 of a game of skill ~~, and~~ a game of chance ~~and~~ and a hybrid game;

13 (b) Allow flexibility in payout percentages or the outcome of a game as  
14 determined on the basis of nondiscriminatory identifiers;

15 (c) Support integration of social networking technologies;

16 (d) Facilitate among enrolled players the interactive and concurrent play of  
17 games supported by networked server computers;

18 (e) Accommodate secure account wagering and transactions using electronic  
19 commerce; and

20 (f) Require, when applicable, appropriate information to be disclosed to a  
21 player explaining that the outcome of a game will be affected by skill or  
22 identifiers.

23 4. As used in this section:

24 (a) "Game of skill" means a game in which the skill of the player, ~~by reason~~  
25 ~~of the knowledge, dexterity or any other ability or expertise of the player,~~ rather  
26 than chance, is the dominant factor in affecting the outcome of the game as  
27 determined over a period of continuous play.

28 (b) "Hybrid game" means a game in which a combination of the skill of the  
29 player and chance affects the outcome of the game as determined over a period of  
30 continuous play.

31 (c) "Identifier" means any specific and verifiable fact concerning a player or  
32 group of players which is based upon objective criteria relating to the player or  
33 group of players, including, without limitation:

34 (1) The frequency, value or extent of predefined commercial activity;

35 (2) The subscription to or enrollment in particular services; ~~for~~

36 (3) The use of a particular technology concurrent with the play of a  
37 gaming device ~~for~~;

38 (4) The skill of the player;

39 (5) The skill of the player relative to the skill of any other player  
40 participating in the same game;

41 (6) The degree of skill required by the game; or

42 (7) Any combination of subparagraphs (1) to (6), inclusive.

43 (d) "Skill" means the knowledge, dexterity or any other ability or expertise of  
44 a natural person.

45 Sec. 2. This act becomes effective upon passage and approval.
