AN ACT relating to motor vehicles; revising provisions governing the issuance by the Department of Motor Vehicles of a refund or credit for certain fees and taxes paid upon the transfer or cancellation of vehicle registration in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who has registered his or her vehicle with the Department of Motor Vehicles may transfer that registration to another vehicle upon filing an application for transfer of registration. In computing the registration fee and governmental services tax due on the vehicle to which the registration is transferred, the Department must credit against the amounts due the portion of the registration fee and governmental services tax paid on the vehicle from which the registration is being transferred attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis. If the amount owed on the registration fee or governmental services tax on the vehicle to which the registration is transferred is less than the credit on the registration fee or governmental services tax paid on the vehicle from which the registration is transferred, no refund may be allowed by the Department. (NRS 482.399) **Section 1** of this bill provides that, if the amount owed on the registration fee or governmental services tax on the vehicle to which the registration is transferred is less than the credit on the registration fee or governmental services tax paid on the vehicle from which the registration is transferred, the person may apply the unused portion of the credit to any obligation due by the person to the Department. Any unused portion of such a credit expires 1 year after the date of the registration of the vehicle to which the registration was transferred.

Existing law also provides that a person who cancels his or her registration and surrenders to the Department the license plates for that vehicle under certain circumstances may be eligible for a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the

current calendar year or registration period on a pro rata basis. To be eligible for such a refund, the amount of the refund must exceed \$100 and the person must: (1) request the refund at the time the registration is cancelled and the license plates are returned; (2) be a resident of this State; and (3) provide evidence to the Department of extenuating circumstances. (NRS 482.399) **Section 1** provides that the Department must issue to a person who is not eligible for such a refund a credit equal to the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to any obligation due to the Department, and any unused portion of the credit expires 1 year after the date of issue.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.399 is hereby amended to read as follows:

482.399 1. Upon the transfer of the ownership of or interest in any vehicle by any holder of a valid registration, or upon destruction of the vehicle, the registration expires.

2. Except as otherwise provided in subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the

10 agent or the registered dealer shall credit the portion of the

13 against the registration fee due on the vehicle to which registration
14 is transferred.

15 5. If the amount owed on the registration fee or governmental
16 services tax on the vehicle to which registration is transferred is less

22 credit expires 1 year after the date of the registration of the vehicle
23 to which the person transferred registration.*

24 6. If the license plate or plates are not appropriate for the
25 second vehicle, the plate or plates must be surrendered to the
26 Department or registered dealer and an appropriate plate or plates
27 must be issued by the Department. The Department shall not reissue
28 the surrendered plate or plates until the next succeeding licensing
29 period.

30 7. If application for transfer of registration is not made within
31 60 days after the destruction or transfer of ownership of or interest
32 in any vehicle, the license plate or plates must be surrendered to the
33 Department on or before the 60th day for cancellation of the

Such a credit may be applied by the person to any obligation due to the Department. Any unused portion of the credit expires 1 year after being issued by the Department.
