

CHAPTER.....

AN ACT relating to insurance; repealing provisions governing the provision of medical records by a personal injury claimant or a claimant's attorney upon the request of an insurer or other party against whom a claim is asserted under a policy of insurance covering certain motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a party against whom a claim is asserted for personal injury under a policy of motor vehicle insurance covering a passenger car may require any attorney representing the claimant to provide to the party and his or her insurer or attorney, not more than once every 90 days, all medical reports, records and bills concerning the claim. In lieu of providing such reports, records and bills, the claimant or any attorney representing the claimant may provide a written authorization to receive the reports, records and bills from the provider of health care. Upon receipt of any photocopies of such reports, records and bills, the insurer who issued the policy must, upon request, immediately disclose to the insured or the claimant all pertinent facts or provisions of the policy relating to any coverage at issue. (NRS 690B.042)
