AN ACT relating to insurance; providing that certain provisions governing insurance are not applicable to guaranteed asset protection waivers; providing for the sale of guaranteed asset protection waivers; prohibiting a creditor from conditioning certain terms of a finance agreement on the purchase of a guaranteed asset protection waiver; requiring the disclosure of certain information in a guaranteed asset protection waiver; setting forth certain requirements concerning the cancellation of a guaranteed asset protection waiver; requiring a retail dealer of vehicles who sells guaranteed asset protection waivers to purchase a policy of contractual liability insurance under certain circumstances; authorizing the Commissioner of Insurance to enforce provisions governing guaranteed asset protection waivers in certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

- 1 **Section 10** of this bill defines the term “guaranteed asset protection waiver” as  
2 a contract pursuant to which a creditor, in exchange for separately stated  
3 consideration, agrees to waive part or all of the amount owed to the creditor  
4 pursuant to a finance agreement in the event of a total physical damage loss or  
5 unrecovered theft of the vehicle covered by the finance agreement. **Section 16** of  
6 this bill provides that the marketing, issuance, sale, offering for sale, making,  
7 proposing to make and administration of guaranteed asset protection waivers is not  
8 subject to title 57 of NRS governing insurance except for certain provisions of title  
9 57 of NRS that give the Commissioner of Insurance the authority to regulate and

conduct investigations and hearings on violations of law. (NRS 679B.020-679B.125, 679B.130, 679B.136, 679B.140, 679B.159-679B.180, 679B.187-679B.220, 679B.310-679B.370) **Section 16** also provides that provisions governing guaranteed asset protection waivers do not apply to a debt cancellation or debt suspension agreement regulated by certain federal laws, or to a policy of insurance. **Section 17** of this bill prohibits a creditor who sells or offers for sale guaranteed asset protection waivers from including certain words in the name of the business of the creditor that could indicate that the creditor is an insurer.

**Section 18** of this bill authorizes a creditor to offer to sell or sell a guaranteed asset protection waiver to a borrower who owes or expects to owe money to the creditor pursuant to a finance agreement. **Section 18** also provides that the cost to purchase a guaranteed asset protection waiver which meets the specified requirements must be separately stated as part of the amount financed and must not be considered a finance charge or interest, thereby expressly providing that such guaranteed asset protection waivers, specifically, must have their purchase price included as part of the amount financed. **Section 19** of this bill prohibits a creditor from requiring the purchase of a guaranteed asset protection waiver as a condition for the approval of credit, the terms of the credit or the terms of the sale or lease of a vehicle covered by the finance agreement. **Section 20** of this bill requires certain information to be disclosed in a certain manner in a guaranteed asset protection waiver. **Section 21** of this bill: (1) requires a guaranteed asset protection waiver to provide a free-look period in which a borrower may cancel a guaranteed asset protection waiver and receive a full refund; (2) requires a guaranteed asset protection waiver to allow cancellation after the free-look period; (3) requires a borrower to provide a written request for a refund after the cancellation of a guaranteed asset protection waiver outside of the free-look period in order to receive such a refund; and (4) authorizes a creditor to apply any refund owed to the borrower because of the cancellation of a guaranteed asset protection waiver to the amount owed to the creditor pursuant to the finance agreement.

**Section 22** of this bill requires a retail dealer of vehicles to purchase a policy of contractual liability insurance that insures the obligations of each guaranteed asset protection waiver that the dealer sells or offers for sale other than for a leased vehicle. **Section 23** of this bill requires a creditor to maintain certain records. **Section 24** of this bill requires a creditor to make records concerning guaranteed asset protection waivers available to the Commissioner to enable the Commissioner to enforce provisions governing guaranteed asset protection waivers. **Sections 15 and 25** of this bill authorize the Commissioner to issue a cease and desist order to or impose a civil penalty against a person who violates any provision governing guaranteed asset protection waivers, except where a guaranteed asset protection waiver is sold in connection with a lease or sale of a vehicle for commercial use or resale. **Section 15** also exempts guaranteed asset protection waivers sold in connection with such sales and leases from requirements to disclose certain information.
