AN ACT relating to motor vehicles; revising provisions relating to
the transportation of children in motor vehicles; providing
immunity from liability to child passenger safety
technicians relating to the provision of or failure to
provide certain services regarding child restraint systems
in certain circumstances; making certain conforming
changes; and providing other matters properly relating
thereto.

Legislative Counsel's Digest:

1 Existing law generally requires a child who is less than 6 years of age and who
2 weighs 60 pounds or less to be secured in a child restraint system while riding in a
3 motor vehicle. (NRS 484B.157) Existing law also generally requires any person
4 other than such a child to wear a safety belt when riding in a motor vehicle. (NRS
5 484D.495) **Section 2** of this bill revises the requirement for a child to be secured in
6 a child restraint system while riding in a motor vehicle to apply to each child who is
7 less than 8 years of age, is less than 57 inches tall and weighs 80 pounds or less.
8 **Section 2** requires each child who is less than 13 years of age and who rides in a
9 motor vehicle to be secured by a safety belt in the back seat of the motor vehicle
10 with certain exceptions. **Section 2** also provides that, absent gross negligence, a
11 certified child passenger safety technician is immune from liability resulting from
12 providing or failing to provide inspection, adjustment or educational services
13 relating to child restraint systems.

Section 3 of this bill requires a child who is a passenger in a motor vehicle and is not required to be secured in a child restraint system to wear a safety belt. **Section 3** also provides that the failure of a child who is a passenger in a motor vehicle to wear a safety belt is a primary offense and that the driver of the vehicle must be cited, and the parent or guardian of the child may be cited if the parent or guardian was present, for such a violation.

Existing law states that a short-term lessor of vehicles who offers or provides a waiver of damages for additional consideration must clearly and conspicuously disclose certain information, to include the law of this State pertaining to the wearing of safety belts. (NRS 482.3156) **Section 1** of this bill modifies the content of the required disclosure simply to reflect the changes made in **sections 2 and 3** regarding the requirements for wearing safety belts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
