AN ACT relating to education; authorizing a pupil or school to appeal a final decision or order made pursuant to a regulation adopted by the Nevada Interscholastic Activities Association to a hearing officer appointed by the Executive Director of the Association; establishing certain procedural requirements for the disposition of the appeal; requiring that certain rules and regulations adopted by the Association must apply equally to public schools and private schools that are members of the Association; authorizing a pupil who enrolls in a private school or public school to be immediately eligible to participate and practice in a sanctioned sport under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Nevada Interscholastic Activities Association for the purpose of controlling, supervising and regulating interscholastic athletic events in public schools and further authorizes the Association to adopt rules and regulations for that purpose. (NRS 386.420-386.470) Generally, under the existing regulations of the Association, an aggrieved pupil or school may appeal any determination made pursuant to a regulation adopted by the Association. (NAC 386.850) Such an appeal is considered initially by an administrator of the school district who is responsible for interpreting and enforcing the regulations of the Association, a panel of principals chosen from the schools located in the school district or the Executive Director of the Association. (NAC 386.852, 386.853) A further appeal may be taken to a hearing officer appointed by the Executive Director. (NAC 386.855) **Section 5** of this bill authorizes a pupil or school that is

13 aggrieved by a final decision or order of an administrator, a panel of principals or
14 the Executive Director to appeal the decision or order to a hearing officer appointed
15 by the Executive Director. **Section 5** establishes certain procedural requirements
16 regarding the disposition of the appeal, including requirements for making the
17 decision of the hearing officer public and accessible in a format that protects the
18 identity of any minor involved in the appeal.

19 **Section 6** of this bill provides that any rules and regulations adopted by the
20 Association governing the eligibility of a pupil who transfers from one high school
21 to another high school to participate or practice in a sanctioned sport must apply
22 equally to public schools and private schools that are members of the Association.
23 **Section 6.5** of this bill provides that a pupil who enrolls in the 9th grade at: (1) a
24 public school is immediately eligible to participate and practice in a sanctioned
25 sport at the school if the pupil resides within the zone of attendance of the school at
26 the time of enrollment, regardless of whether the pupil resided in a different zone of
27 attendance or attended a school other than a public school before enrollment in the
28 9th grade; and (2) a private school is immediately eligible to participate and
29 practice in a sanctioned sport at the school, regardless of whether the pupil attended
30 a school other than a private school before enrollment in the 9th grade.
